## II – Expenditure Budget

### 2. Instructions related to preparation of Budget and Expenditure Trends and material for Pre Budget Meetings:

2.1 Revised formats of various budget documents showing a break-up based on revenue and capital expenditure is being used since Budget 2017-18. In case of the SBE, the Central government expenditure has been classified into six broad categories indicated in the box below:

**A. Centre's Expenditure:**

- (i) **Establishment Expenditure of the Centre;**
- (ii) **Central Sector Schemes;**
- (iii) **Other Central Expenditure, including those on CPSEs and Autonomous Bodies;**

**B. Centrally Sponsored Schemes and other Transfers:**

- (iv) **Centrally Sponsored Schemes;**
- (v) **Finance Commission Transfers; and**
- (vi) **Other transfers to States.**

2.2 The description of the six categories mentioned above is given below:

(i) The **Establishment Expenditure** of the Centre will include all the establishment related expenditure of the Ministries/Departments. The budgetary proposals for this section will include establishment expenditure on attached and subordinate offices, on various heads related to establishment viz. salaries, medical expenses, wages, overtime allowances, foreign travel expenses, domestic travel expenses, office expenses, materials and supplies, publications, advertising and publicity, training, other administrative expenses, POL, cost of ration, clothing and tentage, professional services, rent rates and taxes, royalty, pensionary charges, rewards and minor works, motor vehicles, information technology etc.

(ii) The **Central Sector Schemes** will include all those schemes which are entirely funded and implemented by the Central Agencies viz. Ministries/Departments or various agencies of GoI such as the autonomous bodies and other special purpose vehicles. In some cases as an exception, and with the specific prior consent of Finance Ministry (Department of Expenditure) the central sector schemes may be allowed to be implemented through the concerned State implementing agencies. Exceptions to this general rule shall apply to those schemes where specific approval has been given by the Department of Expenditure. The transfer of funds in such cases will be done directly to the implementing agencies and not through the State treasuries.

(iii) The **Other Central Expenditure** will include provisions made for the Central expenditure on CPSUs, autonomous bodies etc. and other expenditure, such as Interest Payments (see Demand No 35), Repayment of Debt (see Demand No. 36), contribution to international organizations etc.; This includes interest payments, repayment of debt not covered in the category of schemes or establishment expenditure. In certain cases, such as ICAR, CSIR and Atomic Energy etc. which also implement some Central Sector schemes, the provision related to the schemes will be shown in the category of the central sector schemes.

(iv) The Centrally Sponsored Schemes on the other hand will include the schemes as reflected in Statement 4A of Expenditure Profile 2020-21 and also as approved by the Competent Authority during the year. Rationalizations of Centrally Sponsored Schemes, as issued by NITI Aayog vide OM No. O-11013/02/2015-CSS & CMC dated 17.8.2016 is placed at **Annex A**. Classification and fund sharing pattern of BADP and RURBAN Mission issued by Department of Expenditure as O.M. No. 66(01)/PF II/2015 dated 16.09.2016 is placed at **Annex A1**. These schemes will be implemented by the State/UT governments with the sharing pattern as approved by the Government. The central share for the schemes will be routed entirely through the State/UT treasuries as grants in aid under various object heads, except in the case of Direct Benefit Transfers where the functional heads could be used. In such cases, a mapping of the allocations under centrally sponsored schemes not routed through State treasuries will be required to work out the total quantum of resource transfers to the States within the centrally sponsored schemes.

(v) The category **Finance Commission Transfers** will only come in the demand titled "Transfers to States" (see Demand No.40) under the Department of Expenditure, Ministry of Finance.

(vi) The category **Other Transfers to States** will include all other transfers to state such as those made under National Disaster Relief Fund, Assistance to schemes under proviso (i) to Article 275(1) of the Constitution.

**FAs may personally ensure that the expenditure categorization follows the above indicated classification.**

2.3 The Financial Advisers of Ministries/Departments shall ensure the data entry in the UBIS and software would self-generate SBE formats. The Ministries/Departments shall cross check whether the SBE formats correspond to the instructions given below. They shall then submit the hard copies of SBEs in proper format to the respective sections in the Budget Division. For details on the specific formats and instructions while filling in Detailed Demand for Grants, Ministries/Departments may refer to Para 15 of this Circular.

2.4 While preparing the SBE, the following instructions should be strictly followed :

- (i) In SBEs the schemes will be depicted, upto a maximum of four levels only as given below:
  - a. Umbrella Schemes
  - b. Schemes
  - c. Sub-Schemes
  - d. Component
- (ii) All schemes would be categorised as either Centrally Sponsored Schemes or Central Sector Schemes. Allocation of one scheme would appear only at one place in the SBE. Accordingly, entries for allocation for North East and Sikkim should be done separately under each scheme and not as Lump-sum provision for N.E. and Sikkim as was done earlier.

- (iii) If a scheme has EAP component and/or funded from a Fund in the Public Account (in case of say funding from cesses) then the components have to be separately depicted at the sub-scheme level as below:
- Gross Budgetary Support
  - EAP Component
  - Amount met from (*Name of Fund*)
- (iv) The entries related to transfer to fund and the amount met from fund, wherever applicable will be shown as two separate entries in the SBEs below the schemes which are funded from it. In case the utilisation of the Public Account Fund is towards a Centrally Sponsored Scheme, then transfer of the corresponding amount should be made from the major head 3601/3602 to ensure that the transfers to States are not understated.
- (v) The entries related to interest payments and re-payment of Principal of GoI fully service Bonds would need to be shown separately as a line entry under the schemes from which such interest is being paid. An example comprising of all the above-mentioned scenario is shown in the table below:

		<b>Actual 2019-20</b>		
<b>IV</b>	<b>Centrally Sponsored Schemes</b>	<b>Revenue</b>	<b>Capital</b>	<b>Total</b>
7.	<i>National Education Mission-Sarva Shiksha Abhiyan</i>			
7.01	Gross Budgetary Support			
7.02	EAP Component			
7.03	Allocation from Prarambhik Shiksha Kosh			
7.04	Interest under EBR (e.g. HEFA)			
7.05	Repayment of Principal of GoI fully service Bonds			
	<i>Total-National Education Mission-Sarva Shiksha Abhiyan</i>			
8.	National Programme of Mid-Day Meals in Schools			
8.01	Gross Budgetary Support			
8.02	Allocation from Prarambhik Shiksha Kosh			
8.03	Interest under EBR (e.g. HEFA)			
8.04	Repayment of Principal of GoI fully service Bonds			
	<i>Total-National Programme of Mid-Day Meals in Schools</i>			
9.	Transfer to Prarambhik Shiksha Kosh (PSK)*			
10.	Amount met from Prarambhik Shiksha Kosh (will be a negative entry)*			

Note: Total of Sl. No. 10 will be equal to Sl. No. 7.03 and Sl. No. 8.02.

\* Provisions relating 'transfers to' and 'amount met from' any reserve fund may not be made from Major Heads denoting North Eastern Areas viz. '2552', '4552' and '6552' as these heads are used to disclose the transitory provisions, which will ultimately be re-appropriated to functional Major Heads at the time of incurring expenditure. Such provisions ('transfers to/amount met from') may be made under the relevant functional heads.

- (vi) Scheme allocation would continue to be prepared major head-wise, as was being done earlier. This information would be used to generate the DG, Part B of the SBE and the statements in Budget Profile.
- (vii) In the SBE, as referred to in section 3.1, all existing line entries have to be put under one of the six indicated categories. In case the existing line/umbrella scheme has items which belong to more than one of the six categories, then the existing line would need to be broken up and adjusted suitably under the relevant categories. For instance, if there is an existing umbrella 'Welfare of Children' which has a central sector scheme and direct assistance to an Autonomous body (i.e. untied GIA and not under the scheme), then the umbrella scheme would need to be broken up and the Central sector scheme would go under category II – Central Sector Schemes and the assistance to autonomous body would go under category III – Other Central Expenditure. It may be noted that if grants are being given to any Autonomous Body under a scheme for implementing of that scheme, then the line need not be broken up and would figure under the Central Sector Scheme. **All SBEs should necessarily follow the above format.**
- (viii) As per the recommendations of the Committee of Secretaries in its meeting held on 09.12.2016, each Ministry/Department has to identify specific Swachhhta elements in the schemes under implementation and create a separate budget head for earmarking funds for implementing Swachhhta Action Plan (SAP). The instructions in this regard were conveyed vide OM No. F1(8)-B(AC)/2017 dated 21<sup>st</sup> March, 2017 (**Annex W**).

2.5 While preparing the estimates as indicated above, care must be taken to provide budget for all committed and continuing expenditure, before including provisions for new schemes/items of expenditure. The actuals may be reconciled with the monthly accounts compiled by Controller General of Accounts before incorporating the same.
- h) Any excess expenditure incurred till date may be specifically highlighted so that RE 2020-21 take the same into account.
- i) Care should be also taken for including advances from Contingency Fund and the need to recoup the same.

- (xvi) UTs without legislature may also provide information on measures being taken by them to enhance Non-tax receipts.
- (xvii) With respect to subsidies, assumptions regarding subsidy calculations shall also be clearly indicated.

**It may be ensured that formats given in Appendices I to VII are correctly filled and submitted through UBIS on or before 9<sup>th</sup> October 2020.**

**Note:** The Pre-budget meeting of the Ministry/Department will be possible only after receipt of full information as required above.

**2.7 Revenue & Capital Expenditure:** As per Article 112 of the Constitution of India, Annual Financial Statement shall distinguish expenditure on revenue account from other expenditure. Rule 50(2) of General Financial Rules, 2017 (GFR) mentions that the estimates of expenditure shall distinguish provisions for expenditure on revenue account from that for other expenditure including expenditure on Capital Account on loans by the Government and for repayment of loans, treasury bills and ways and means advances. Further Rule 84 of GFR defines Capital and Revenue Expenditure. All the Ministries/Departments may kindly refer to these Rules and prepare the Budget Estimates in compliance with these and other statutory obligations.

**2.8 Grants-in-Aid to Autonomous Bodies & Institutions :** For providing grants-in-aid to autonomous bodies and institutions, the instructions contained in Rule 230 of the General Financial Rules, 2017 may be followed. In cases where activities of a body cover more than one function of the Government and the body is likely to approach several Departments for grants, consultation should take place among the concerned Departments before the grants are approved. The body should be specifically asked to furnish details of assistance received or proposed to be received from other Central Government Departments and also from State Governments.

**2.9** No provision may be made in the establishment budget for posts, which are lying vacant for one year or more. Even otherwise, provisioning for vacant posts

should be made with caution to avoid eventual savings in case the vacant posts remain vacant.

2.10 Items of expenditure which are linked to receipts, like those met from proceeds of cess or '1605-External Grant Assistance' or '1606-Aid Material and Equipment' may also be similarly segregated in the Statement of Budget Estimates. Whenever aid material or equipment are received and budgeted under '1606-Aid Material and Equipment, it may be ensured that corresponding expenditure provision is made under '3606-Aid Materials and Equipment'.

2.11 Subsidies being provided towards payment of interest fall under two categories. They are (i) 100% subsidy and (ii) interest differential/subvention (part subsidy). These two items may be shown distinctly in Statement of Budget Estimates.

2.12 With a view to maintaining uniformity in the treatment of provision for Voluntary Retirement Scheme(VRS)/Voluntary Separation Scheme (VSS) to Central PSUs, it is desired that these amounts should be depicted as a loan, unless approved otherwise by the Competent Authority.

2.13 Further, the estimates of expenditure in the Expenditure Budget and also in Demands for Grants, are expressed in crore of rupees with two decimal places. Under the present system of rounding, major head under which the total provision is less than ₹50,000 gets excluded from the two documents referred to above. This causes discrepancy with Detailed Demands for Grants in which the provisions are expressed in thousands of rupees. In such cases the major head, etc. will be shown in the SBE and the Demands for Grants with a footnote that "the provision is less than ₹1 lakh". The Statement to be furnished in the SBE and other Statements to be forwarded to the Budget Division should be suitably rounded to crore of rupees with two decimal places for each major head. The breakup of the provision for schemes included under a major head should also be suitably rounded so as to work up to the total in respect of each major head in crores of rupees with two decimal places. Similarly, the provisions under the various detailed heads in the Detailed Demands for Grants should also be suitably rounded so that the total under each major head included in that demand is in crore of rupees with two decimal places. It should, however, be ensured that in the amount so rounded off, there is no inflation in the total fund requirements. Instructions at paragraph 12.1 may also be seen.

2.14 The Ministries/Departments may review the SBEs for **2021-22** in respect of their Demands for Grants and modifications therein, if any, as may be required keeping in view the guidelines mentioned above.

2.15 The benefits of the extension of the revised pay-scales as per Central Secretariat Service (RP) Rules, 2016 that has been notified on 25.07.2016, has been extended. They shall be applicable to the employees of the quasi-government organizations, autonomous organization, statutory bodies etc. set up by and funded/controlled by the Central Government, subject to restrictions as mentioned in Department of Expenditure's OM No. 1/1/2016-E-III(A) dated 13<sup>th</sup>September, 2017 (**Annex E**). Reference is made to Para 5 of the above OM for strict compliance.

2.16 It has been decided to review the progress of implementation of GeM as a part of pre-budget meeting with respect to target of and growth in procurement through GeM, as parameter for expenditure review. Accordingly, the Ministries/Departments are required to furnish the requisite information related to procurement made from GeM in the format prescribed at **Annexure-VID**.

### **3. Instructions related to rationalization of schemes and economy in expenditure**

3.1 In 2017-18, an exercise was undertaken to rationalize the number of schemes to avoid overlap of objectives and thin spread of resources. The schemes were appropriately grouped under Umbrellas to better reflect the objectives of schemes. Any changes in the scheme structure from the approved rationalized structure should only be made with the approval of Department of Expenditure(concerned PFC Division). Ministries may also ensure that there is no proliferation of the schemes and instructions contained in O.M. No.24(35)/PF-II/2012 dated 5<sup>th</sup> August, 2016 are strictly adhered to while considering any new schemes. **(Annex C). Ministries/Departments are required to refer to DO Letter No. 66(59)/PFC-II/2018 (Pt.) dated 30th August, 2019 (Annexure-X) of Secretary (Exp.) issued with regard to the Rationalization of Schemes and comply to the instructions provided therein.**

3.2 For uniform depiction of schemes in the budget documents, it has been decided to adopt a uniform four tier structure as below:

Tier 1	Umbrella Scheme	Minor Head
Tier 2	Scheme	Sub Head
Tier 3	Sub Scheme	Detailed Head
Tier 4	Component	Object Head

Ministries may ensure that the above scheme architecture is uniformly followed and the accounting correspondence as mentioned in the table above is followed while preparing the DDGs.

3.3 It is necessary to review the existing Expenditure Budget in the first instance, to prioritize the activities and schemes and identify those activities and schemes which can be eliminated or reduced in size or merged with any other scheme. All Ministries/Departments were expected to take up the exercise of review/evaluation of all ongoing schemes/programmes to determine their continued relevance vide Secretary (Expenditure)'s O.M. F. No. 7(5)/E-Coord/2004 dated 24.09.2004. Departments should ensure that all schemes that have been discontinued, do not find mention in **RE 2020-21**. Similarly schemes that are not to continue beyond the year **2020-21**, should not be included for **BE 2021-22**. A mention of the schemes discontinued or merged should be made in the notes below the SBES. **The Instructions related to continuation/Extension of Public Funded Ongoing Schemes circulated vide O.M No. 42(02)/PF-II/2014 dated 10.01.2020 (Annexure-Y) of the Department of Expenditure, should also be taken into account in this regard.**

3.4 The Statement of Budget Estimates included in the Expenditure Budget, should normally show distinctly, schemes, etc. for which the provision in the RE or next BE is ₹ 10 crore or more. Important schemes, irrespective of the provision for them, can also be shown separately in the SBE, if necessary.

3.5 While framing the estimates, due note may be taken of the past performance, the stages of formulation/implementation of the various schemes, the institutional capacity of the implementing agencies to implement the scheme as scheduled, the constraints on spending by the spending agencies, and most importantly the quantum of Government assistance lying with the recipients unutilized/unaccounted for etc. This will ensure that surrender of funds does not take place at a later stage. Parliamentary Committees have repeatedly expressed concern over incidence of large savings in the Grant. The Public Accounts Committee also requires that savings in a Grant amounting to ₹100 crore and above have to be explained to the Committee.

3.6 Ministry of Finance, Budget Division has issued instructions on the need for the individual Ministry/ Department to put in place effective mechanism for realistically assessing their requirement of funds in a way that would ward off the occurrence of unwarranted surrender of savings at a later date. In this regard, attention of the Ministries/ Departments is drawn to the provisions contained in Rule 230(7), 232(v) & (vi), 238, 239 of GFR 2017 for strict adherence. Instructions on large scale unspent provisions have been issued for strict compliance by the Ministries/Departments vide O.M. No. 7(1)/B(D)/2006 dated 22.07.2015 (**Annex-F**). The Ministry of Finance has suggested some measures for effective control of expenditure against the sanctioned grant/appropriation vide O.M. No.7(1)/E.Coord/2014 dated 29.10.2014. (Annex-G). All Ministries/ Departments may give due regard to these instructions for effective expenditure control.

3.7 Under the standing instructions of this Ministry, no provision should normally be made in the Budget without completion of pre-Budget scrutiny of a project/scheme. However, where provision has been made without the necessary scrutiny, such scrutiny should be completed and appropriate approvals obtained therefor, before the commencement of the financial year or latest by the time the Budget is passed by the Parliament. **In this regard O.M No. 42(02)/PFC-I/2014 dated 04.06.2020 issued by the Department of Expenditure regarding appraisal and approval of all Public Funded Schemes/sub-schemes is to be referred (Annexure Z)**

#### **4. Instructions related to budgeting for Externally Aided Projects**

4.1 The provision for externally aided projects may be made under identifiable heads, segregated from other items of expenditure as in the form at **Appendix XXVI**.

4.2 Ministries/Departments make provisions against externally aided projects and these are being shown in a separate annex viz., "Statement showing project-wise provisions for expenditure on externally-aided projects" in the 'Detailed Demands for Grants' of the concerned Ministry/Department, as in the form at **Appendix-XXX**. It

is observed that there is a time lag between incurring of expenditure and claiming reimbursement thereof from the concerned donors. This obviously puts pressure on the GOI's Ways & Means Advances position. In order that the eligible expenditures are promptly lodged in the form of claims with the relevant donors through the Office of Controller of Aid Accounts & Audit for seeking disbursement of the committed external assistance, Financial Advisers should hold periodical reviews in this regard. It is proposed to review the budget provision made in **BE 2020-21** against externally aided projects and the action taken to claim reimbursements thereof from the external donors, during the pre-budget review meetings to be taken by Secretary (Expenditure). An updated status in this regard may be submitted along with SBE (proposed) on or before **9<sup>th</sup> October, 2020**.

## **5. Instructions related to entering of data in the UBIS**

5.1 After the pre-Budget meetings are completed the approved allocations for expenditure, as finalised in these meetings, will be communicated to the Ministries/ Departments. The Financial Advisers shall ensure that this data is entered in the UBIS.

5.2 Ministries/Departments may take particular care in filling the estimates relating to each of the public enterprises (budgetary support, Internal and Extra Budgetary Resources and Total Outlay). Similarly, if works expenditure is to be incurred through the Ministry of Urban Development, the same should be included in the column provided therefor in the Statement of Budget Estimates after settling the estimates with Ministry of Urban Development. SBE should carry a certificate that the total provision inclusive of the works outlay corresponds to the allocation given for 2020-21.

5.3 The budget provision towards 'Works Outlay' is reflected in the Demands for Grants for the year 2021-22 in respect of Ministries/Departments, who expressed their willingness for such reflection, in terms of this Division's O.M. No.1(20)-B(AC)/2017 dated 8th September, 2017 (**Annex I**). Such provisions in respect of other Ministries/Departments will continue to be reflected in the Demands for Grants of Ministry of Housing and Urban Affairs (**Demand No. 59**) in BE2021-22.

5.4 **UTs without Legislature:** In the case of Union Territories without Legislature the Ministry of Home Affairs (being the nodal Ministry) will get the Statement of Accepted Estimates from the UTs concerned and examine these to ensure that the total provisions are within the ceilings approved for each UT. They should furnish the information along with related recoveries, and receipts, to the Ministry of Finance (Budget Division) on the same pattern as per the **SBE 2020-21**. The UTs are requested not to send any SBEs to the Ministry of Finance directly. All correspondence in this regard should be made with the Ministry of Home Affairs only. As regards release of funds to UTs with or without legislature, guidelines issued vide OM No. 3/6/2017- BPC&T dated 5<sup>th</sup>April, 2018 (**Annex V**), may be followed.

5.5 In cases of items of work transferred from one Ministry/ Department to another, subsequent to the presentation of the Budget for **2020-21**, the **B.E. and R.E. 2020-21** (and in the Detailed Demands for Grants, the Actuals **2019-20** also) in respect of these items may be shown along with the **BE 2021-22** in the Demands

for Grants (for **2021-22**) of the Ministry/Department which has taken over the work, to facilitate comparison. Consequently, these items may completely be deleted from the Demands for Grants for **2021-22** of the Ministry/ Department from which these have been transferred. Necessary Supplementary Demands for Grants provision may be proposed by the Ministry/Department to which the work has been transferred..

5.6 Pursuant to the instructions contained in the Government of India (Allocation of Business) Rules 1961, any transfer of items of works/schemes and their corresponding provisions from a Ministry/Department would be effected through Supplementary Demands for Grants. Therefore, at RE stage, the Ministry/Department from where the work has been transferred should surrender the expenditure provision from those specific items of work, including associated establishment expenditure, and indicate the same categorically during the pre-Budget discussions held in the Ministry of Finance under the Chairmanship of Secretary (Expenditure).

5.7 The final allocations will be communicated in end December/early January, once the estimates of receipts are finalized. **BE 2021-22** shall be completed under the overall supervision of the Financial Advisers within 2 days of the communication of final ceilings Ministries/Departments should submit the SBE, after incorporating the changes in the allocation if any. The outcome budget should also be changed accordingly. The SBE will be accompanied by four statements mentioned below:

- (i) Showing the amount of charged expenditure included under each of the major heads in **RE 2020-21, BE 2021-22 (Appendix VIII)**;
- (ii) Showing the estimates, if any of recoveries taken in reduction of expenditure under each of the major heads included in the SBE, (**Appendix IX**);
- (iii) Loan and equity components of investments in Public Enterprises and Public Sector Banks with the externally-aided component in case of former. (**Appendix X**);
- (iv) Brief notes explaining major variations between **BE 2020-21 and RE 2020-21**; and also between **RE 2020-21 and BE 2021-22** should be furnished in all cases wherever the variations under the items listed in the SBE exceed 10% of the BE or RE, as the case may be, whichever is lower. The explanation should be meaningful and specific. Vague indications in phrases like “due to less requirement of the project” or “more requirement of the project” will not be acceptable.

5.8 In case any modification or amendment is to be made in the figures already communicated to Budget Division through SBE, the modifications/amendments should be communicated in the form in Appendix XI. Ministries/Departments should not re-send the entire SBE for this purpose. This will also be part of UBIS.

## **6. Instructions related to allocation for North East**

6.1 All the Ministries/Departments (except those specifically exempted by Ministry of Development of North Eastern Region) are required to spend 10% of the Gross Budget Support (GBS) from their allocation under Central Sector Schemes and under Centrally Sponsored Schemes for the benefit of North Eastern Region & Sikkim. While sending the data for **RE 2020-21**, the Ministries/Departments should

separately show the Expenditure on schemes/projects benefitting the North Eastern Region and Sikkim. The details of exemptions from North East & Sikkim expenditure for schemes/programmes, if any, granted by the Ministry of Development of North Eastern Region (DoNER) may be furnished along with SBEs. Care may be taken that the overall requirement of earmarking 10% is ensured. A List of Ministries/Departments which are exempted from 10% allocation is given at vide O. M. No. 2(4)-B(S)/2017 dated 31<sup>st</sup> August 2017 (**Annex J**).

6.4 Ministry of Development of North Eastern Region (DoNER) has requested the Controller General of Accounts to create a utility under PFMS to capture accurate and timely data, using re-appropriated funds made available from the non-functional heads MH 2552 and MH 4552 to the Scheme related functional heads in order to provide timely and accurate information on expenditure in the North Eastern Region (NER) States under the 10% Gross Budgetary Support (GBS) Policy. ## 10. Instructions related to Notes on Demands

10.1 The Notes on Demands for Grants which appear in Expenditure Budget depict a brief summation of the budget allocations as appearing in the Expenditure Budget. Hence, these may be brief, to the point and must bear a link to the item for which the Budget allocations have been reflected. Abbreviations contained in the notes should be expanded at least once for clarity. More elaborate detailing on Centrally Sponsored and Central Sector Schemes should be made in the Expenditure Profile. It should be ensured that the serial number of the notes should correspond to the budget line it refers to. **Every Budget Line in the Expenditure Budget shall have a corresponding write-up in the Notes on Demands.**

The information so furnished for inclusion in Demands for Grants should exactly match the information included in the Detailed Demand for Grants of the respective Ministry/Department. Attention is invited to Department of Economic Affairs' O.M. No.F.1 (5)-B(AC)/2011 dated 22<sup>nd</sup> July, 2015 (**Annex K**) and F.1 (23)- B (AC)/2005 dated 25.05.2006 (**Annex L**) & 1(5)- B(AC)/2011 dated 21.05.2012 (**Annex M**) on Revised Guidelines on Financial Limits to be observed in determining cases relating to "New Service/New Instrument of Service".

11.2 However, before a final decision on all schemes/projects of the Centre or towards assistance to the States are firmed up, it is suggested that a thorough review of all the existing schemes/projects be taken for de-duplication and weeding out the overlapping/redundant schemes. The schemes projections/ expenditure projections have to be in line with the recent EFC approvals accorded by Department of Expenditure. Once the exercise is completed, this can be *subsequently repeated every five years through a specific Terms of Reference to either the NITI Aayog or the Finance Commission. The effort should be to ensure that all wasteful, unnecessary and poorly run programmes are subject to review and overhaul or even elimination.*

**13.2 Statement No. 13 "Gender Budgeting" in Expenditure Profile.** Gender Budgeting is a process of identifying gender specific barriers across all sectors of development. The process of budget planning and preparation provides a critical opportunity to identify, prioritize and address gender concerns in all Ministries/Departments. It may be noted here that addressing gender issues may require formulation of a specific scheme/programme for women and girls. However, Ministries/Departments may make existing schemes/programmes more gender responsive. It may be noted here that each and every sector and department has an impact on the lives of women and girls, and therefore, it is felt that schemes/programmes should have gender component. Therefore, to accompany the budget submissions for the Financial Year **2021-22**, all Ministries/Departments are required to prepare and submit a **Gender Budget Statement (Statement 13 in Expenditure Profile)** in the prescribed format. This Gender Budget Statement is to be prepared in two parts-**Part A:** reflecting schemes that are 100% targeted towards women and girls beneficiaries; **Part B:** reflecting Pro-women and girl schemes in which 30 to 99% allocations are towards women and girls.

All Ministries/Departments are required to carefully scrutinize their Detailed Demands for Grants and identify programmes/schemes along with their budgeted provision for inclusion in the above two statements. Allocations under these statements should be reflected correctly in the Detailed Demands for Grants. The figures against schemes provided for **BE 2020-21** in the Statement shall be matched with the figures entered for the Statement in the previous year's Budget document. No existing scheme shall be deleted without prior approval of Budget Division. Clarifications, if any required, may be sought from Under Secretary(P&A), Room No.237, North Block, New Delhi, Tel. No.23093936, email: goutam.palit @nic.in. All Ministries/Departments are directed to appoint a Nodal Officer for coordinating with the Nodal Officers in Ministry of Social Justice & Empowerment (in respect of allocation for SC) and Ministry of Tribal Affairs (in respect of allocation for ST) with regard to compulsory allocations for Welfare of SCs/STs.

13.4 The Government has been earmarking separate allocations for the Scheduled Castes Sub Plan and Tribal Sub Plan from the Financial Year 2011-12 . The Ministries/Departments for which such allocations are made in **Budget 2021-22** must ensure that the provisions are accurately reflected in Minor Head “Special Component Plan for Scheduled Castes” (Code ‘789’) and “Tribal Sub Plan” (Code ‘796’) below the functional Major/ Sub-Major Heads wherever applicable. **13.5 Statement No. 12 Schemes for the Welfare of Children** - Recognizing that children under 18 years of age constitutes a significant percentage of the Indian population, the Government is committed to their welfare and development. Statement No. 12 in Expenditure Profile reflects the Budget provisions of schemes that are substantially meant for the welfare of the children. The provisions in this statement indicate educational outlays, provisions for the girl child, health and provisions for child protection etc. Financial Advisers should ensure that the data in this regard is entered electronically in the UBIS. A copy may also be sent to Budget Division for reconciliation along with SBE. **The figures against schemes provided for BE 20120-21 in the Statement shall be matched with the figures entered for the Statement in the previous year’s Budget document.** All Ministries/Departments shall scrutinize their schemes and identify programmes/schemes that aim at welfare of children, along with their budgeted provision, for inclusion in Statement No.12, Expenditure Profile in the enclosed proforma (**Appendix-XXIV**).

Necessary clarifications/reasons shall be given by them if such changes are unavoidable. The figures against schemes provided for BE 2020-21 in the Statements shall be matched with the figures entered for the Statement in the previous year’s Budget document.

13.8 It may be noted that use of Major Heads 3601 and 3602, as a temporary measure, has been allowed in certain specific cases for the year 2017-18, so that the existing schemes are implemented without any glitch for the time being, vide OM No. 47(01)/PF- II/2017 dated 24<sup>th</sup> January, 2017 (**Annex R**) and 6<sup>th</sup> February, 2017 (**Annex S**)

**13.9 Statement No.19, Externally Aided Projects**–The Statement No.19 of Expenditure Profile has been revised from 2016-17 onwards. Part-I of the Statement

13.10 A new Object head ‘Grants for creation of Capital assets’ was introduced from FY 2009-10 onwards. A separate Statement as Annex 6 of Expenditure Profile tabulates the above information. The Statement shows ‘Allocation Under Object Head Grants For Creation Of Capital Assets’. For the above estimates relating to Statement 6 of the Expenditure Profile, all Ministries and Departments are required to carefully scrutinize their Detailed Demands for Grants to identify such schemes/programmes for making realistic budget provisions. The provisions should not be made in a mechanical manner across the schemes/programmes. The estimates should be prepared in the format (**Appendix XXVII**) and the amounts so indicated against schemes/programmes should correspond with the provisions made in the Detailed Demands for Grants.

13.11 Report of the C & AG of India (Report No. 20 of 2018) on compliance of FRBM Act, 2003 has reported discrepancies in estimation of provisions on grants for creation of capital assets. In view of this observation, all Ministries/Departments are required to ensure utmost accuracy in terms of reporting of information.

13.12 All Ministries are required to prepare Revised Estimates 2020-21 and Budget Estimates 2021-22, which reflect the quantum of expenditure earmarked for (a) Research and Development (R&D) whether appearing in an Umbrella Scheme or a Scheme, or a Sub Scheme or as a Component and (b) provisions set apart for Attached/Subordinate Offices and Autonomous Bodies including Societies and Boards etc. who are engaged in Research and Development. - |                                        |                            |
|----------------------------------------|----------------------------|
| - Guarantees given by the Government   | - <b>Appendix XXVIII-A</b> |
| - Tax Revenues raised but not realized | - <b>Appendix XXVIII-B</b> |
| - Arrears of Non - Tax Revenues        | - <b>Appendix XXVIII-C</b> |
| - Asset Register                       | - <b>Appendix XXVIII-D</b> |

14.2 In Report of the C & AG of India (Report No. 20 of 2018) on compliance of FRBM Act, 2003, it has been observed that, disclosure statements mandated under the FRBM Act and Rules made thereunder placed before the Parliament for FY 2016-17 and earlier years contained inconsistencies/discrepancies relating to arrears of non-tax revenues, loans to foreign governments, variation in closing and opening balances of physical and financial assets etc. when compared to Union Government Finance Account. In view of this observation, all Ministries/Departments are required to ensure utmost accuracy in terms of reporting of information in various documents including Disclosure statements required under the Fiscal Responsibility and Budget Management Rules, 2004. Variations, if any, with previous year's reported information on any of the disclosure statements, may be duly explained in appropriate footnotes.

14.3 Statement of Guarantees given by Union Government - A summary statement as per **Appendix-XXVIII-A** is to be appended to the Receipts Budget. This information for the year **2019-20**, should be extracted from the Register of Guarantees maintained by the respective Ministries/Departments. It is highlighted that in the revised General Financial Rules, 2017, number of classes of guarantees has been reduced from existing eight to six. Hence, Ministries/Departments need to reclassify their guarantees wherever required. The information given in this statement is essentially intended to be a summarized account of the statements of guarantees given by Government vide Para 16.6(ix) (**Appendix- XXXVII**). In the case of external guarantees, administrative ministries should coordinate with Financial Adviser (Finance) and weed out duplicate entries. The Ministries/Departments concerned will especially be responsible to ensure that these totals also tally with the information regarding guarantees given by the Central Government and outstanding as on **31.3.2020**, given by them to the Controller General of Accounts for inclusion in the Union Government's Finance Accounts for **2019-20**. The Guarantee fee in arrears [col. 21 minus col.22 of **Appendix-XXVIII-A**] should correspond and match with the figures depicted as Guarantee fee arrears reported in D-2 statement in **Appendix XXVIII-C**. Guarantee details provided in the above format shall correspond to the details given in the DDGs of respective Demands.

14.4 Government of India has been approving Annuity Projects in respect of some infrastructure development activities. Under this model, the concessionaire (private Sector) is required to meet the entire upfront/construction cost (no grant is paid by the Government) and the expenditure on annual maintenance. The concessionaire recovers the entire investment and a pre-determined cost of return out of the annuities payable by the government every year. Information in this regard should be provided in the prescribed format in **Appendix LIII** for publishing it in Receipts Budget.

14.5 While preparing the above statements particular attention may be paid to the following:

- i) **Values may be shown in crore of rupees** and not in lakhs/thousands e.g. an asset valued at ₹forty lakh may be shown as ₹ 0.40 crore.
- ii) Consistency may be ensured in the information shown in **Appendix XXVIII-B** and the information that goes into the respective Reports of the Comptroller and Auditor General of India on Direct and Indirect Taxes for the relevant year.
- iii) While reporting Non-Tax revenue arrears in **Appendix XXVIII-C**, information particularly relating to guarantee fee arrears may be reconciled with the information given in **Appendix XXVIII-A**. Similar consistency needs to be ensured in relation to financial assets and interest receipts to the extent these are relevant.
- iv) Threshold limit of ₹ 0.02 crore for inclusion of assets in **Appendix XXVIII-D** may be reconciled with details as entered in the Register of Fixed assets in “Form GFR – 22” prescribed under Rule 190(2)(i) of the General Financial Rules, 2017.
- v) **Variations, if any, with last year’s reported information on any of the above statements, may be explained in footnotes.**
- vi) The statements duly signed by the competent authority (with telephone number) may be forwarded to this department.

## 15. DETAILED DEMANDS FOR GRANTS

15.1 The respective Ministries/Departments will prepare the Detailed Demands for Grants (DDG). The format of DDG as given in **Appendix LII** may be adhered to while preparing the DDG. While preparing the Detailed Demands for Grants it is important to ensure that the classification, namely, major head, minor head, etc. is as per the heads of account prescribed in the List of Major and Minor Heads of Account. During formulation of Detailed Demands for Grants for the year **2021-22**, due regard may be given to this Division’s circular F.No.15(4)-B(D)/2003 dated 9<sup>th</sup> July, 2003 (**Annex- O**), on the issue of budgeting for “Information Technology”. It is noticed that despite the said instructions of Budget Division, the same are not complied with by some of the Ministries/Departments. It is emphasized that the Ministries/Departments may note these instructions for compliance. The Ministries/Departments shall use the DDG module in UBIS to prepare their DDGs.

15.2 Ministries/Departments shall ensure that the totals for each Major Head and the total provisions by Revenue and Capital Sections separately for 'charged' and 'voted' included in the Detailed Demands for Grants exactly correspond to the provisions included in the Demands for Grants which are prepared by the Budget Division. For this purpose copies of the DGs as finally included by the Budget Division will be made available to the Ministries/Departments concerned for ensuring this correspondence. Final Print order for Detailed Demands for Grants should be given only after the reconciliation is completed.

15.3 The Major Heads Codes shown in the Detailed Demands for Grants should correspond to the code in the main Demands for Grants. Consequently, for a major head there is only actual for **2019-20** and no provision has been made in **B.E. 2020-21, R.E. 2020-21 and B.E. 2021-22**, a separate sub-head therefor should not be retained. The actual may, however, be included in the total for that major head with a footnote as follows:

“Includes expenditure of Thousand ₹ ..... against sub-head ..... in the Demands for Grants No. .... for **2019-20**.”

15.4 Instructions issued by this Ministry in **December, 1994** regarding standard numeric codification of heads of accounts may be strictly adhered to. No new sub-head/detailed head will be opened and incorporated in the Detailed Demands for Grants without getting necessary numeric codes assigned therefor from the office of the Controller General of Accounts.

15.5 The Detailed Demands for Grants will be accompanied by the following schedules/statements:

- (i) Schedule showing the estimated strength of establishment and provision therefor (**Appendix XXIX**). Provisions are to be grouped according to pay scales. The figures shown should correspond with those given for summary statement.
- (ii) Statement showing project-wise provision for expenditure on externally aided projects (**Appendix XXX**).
- (iii) Schedule showing broad details of non-scheme expenditure provisions of ₹ 25 lakhs and above in BE 2021-22 (**Appendix XXXI**).
- (iv) Schedule showing provisions included in BE2021-22 for payment of grants-in-aid to non-Government bodies. (**Appendix XXXII**).
- (v) Statement showing details of individual works and projects costing ₹5 crore or above included in BE 2021-22 (**Appendix XXXIII**).
- (vi) Statement showing revised cost estimates of projects of public sector enterprises and departmental undertakings (**Appendix XXXIV**).
- (vii) Statement showing transfer or gift of Government properties of value exceeding ₹5 lakhs to non-Government bodies (**Appendix XXXV**).

- (viii) Statement showing contributions to International bodies provided for in the Budget Estimates for 2021-22 (**Appendix XXXVI**). This statement will include only items of contribution, membership fees to international bodies, which constitute revenue expenditure. Subscriptions to international bodies, which represent investments and are accounted for in the Capital section, are to be excluded from it.
- (ix) Statement showing guarantee given by the Central Government and outstanding as on **31.3.2020** (**Appendix XXXVII**). This should not be at variance with the statement of guarantee shown in Receipt Budget [see paragraph 15.2]. Guarantees given by the Government on loans from foreign sources contracted by other bodies, PSEs, etc., the outstanding loan amount to which the guarantee relate, should be converted at the exchange rate prevalent on **31.3.2020**, which may be obtained from the Controller of Aid Accounts and Audit of this Ministry, instead of the historical value. It may be noted that if the Government guarantee is for repayment of the principal and payment of interest, the sums guaranteed and outstanding as on **31.3.2019** should cover both. It may be ensured that the totals shown in this statement should exactly correspond with the summary statement as at paragraph 10.2.
- (x) Statement showing grants-in-aid exceeding ₹5 lakhs (recurring) or ₹10 lakhs (non-recurring) actually sanctioned to private institutions/organisations/individuals during the year **2019-20** (**Appendix XXXVIII**).
- (xi) Statement showing the source of funds for grantee bodies receiving grants of over ₹10 lakh per year from Consolidated Fund of India and from other sources (including external sources) (**Appendix XXXIX**).
- (xii) Statement showing Object Head-wise details.
- (xiii) Statement showing MEP/QEP as detailed in O.M. No. 15(39)-B(R)/2016 dated 21<sup>st</sup> August, 2017 (**Annex-O**) of Ministry of Finance.

15.6 The Detailed Demands for Grants shall be entered by the Ministries/Departments in the UBIS. This shall be mandatory. DDG generated from UBIS would feed into PFMS to permit expenditure to take place from **2021-22**. Hence, Ministries/Departments shall ensure that their SBEs and their DDGs are congruent to each other and the figures shown in SBE and the figures reflected in DDG tally. For example, the DDG entries for National Health Mission should aggregate to the figure reflected in SBE. The requisition for printing of Detailed Demands for Grants may include Budget Division's requirement of 30 copies for direct supply by the Press to this Ministry.

15.7 Major-Head number and description may be indicated at the top right corner of each page of Detailed Demands for Grants under the header line.

15.8 **Uploading of Detailed Demands for Grants on Website:** Instructions have been issued by this Ministry vide O.M. No. 15(38)-B(R)/2008 dated 14.8.2008

for uploading the Detailed Demands for Grants on Website of the administrative Ministry/Department. All Ministries/Departments may upload the full details of DDG as approved by the Parliament.

16.2 It is advised that Monthly Expenditure Plan [MEP]/Quarterly Expenditure Plan (QEP) may be drawn up keeping in view the extant guidelines relating to release of funds, including those prescribed in the above mentioned O.M. The Ministries/Departments shall factor-in all possible eventualities while preparing their MEP/QEP. For instance if the Ministry/Department feels that there is a seasonality for a given expenditure, they shall take care to ensure that this is reflected in the MEP/QEP. This is important in the context of cash management of the Government of India. Deviations from MEP/QEP shall have to be approved by Secretary (Expenditure).

17.13 Estimates received by the respective Financial Advisers will be scrutinized in the Integrated Finance Division with regard to the correctness of accounts classification, full coverage and reasonableness of the estimates and modified (reduced, increased and/or missing items added) to the extent necessary in the judgment of the Financial Adviser. Thereafter, the Controller of Accounts should furnish the estimates as finally approved by the Financial Adviser, to the Budget Division by **16<sup>th</sup> October, 2020**.

17.14 **ESTIMATES OF INTEREST RECEIPTS:** These estimates may be prepared in the following groups:

- a. Interest receipts from State and Union Territory Governments;
- b. Interest receipts from foreign governments;
- c. Interest receipts from each public sector financial institutions;
- d. Interest receipts from each industrial and commercial enterprises, both in the public and private sectors;
- e. Interest receipts from each statutory bodies (municipalities, port trusts, etc.);
- f. Interest receipts from each departmental commercial undertakings;
- g. Interest receipts from each category of the other borrowers (excluding Government servants) e.g. dock labour boards, cooperative societies, educational institutions, etc.;
- h. Interest on advances to Government servants; and

- i. Other interest receipts e.g. premium on loans floated, interest on Cash Balance Investment Account - these would mainly pertain to the Department of Economic Affairs.

17.15 The Controllers of Accounts will prepare estimates of interest receipts with reference to loans outstanding against borrowers in their books including loans expected to be sanctioned during **2021-22**. The estimates will, after obtaining the approval of the Financial Adviser, be furnished by them, in duplicate, in form at **Appendix-XLV latest by 16<sup>th</sup> October, 2020**. In case of 'nil' proposal, the same may also be submitted to Budget Division in writing without fail. For the sake of convenience this form covers both interest receipts as well as loan repayments.

17.16 In the case of industrial and commercial undertakings in the public sector/other parties, the estimates should invariably be supported by details in the form at **Appendix-XLV** for each such undertaking/party. Wherever the interest receipt is notional (being either matched by subsidy provision or by grant of loans to meet the interest liability), this fact should be specifically indicated in the 'Remarks' column. No column in **Appendix-XLVI** is to be left blank, especially relating to Defaults in respect of dues upto **31.3. 2020**.

17.17 A realistic assessment of interest due from Public Sector Undertakings and other loanees as also of loan repayments by them will be made taking into account the need to ensure that the loanees fully discharge their current interest obligations and also clear outstanding dues in the next 2-3 years.

17.18 The estimates of interest receipts, and also recoveries of loans and advances, from public sector enterprises including financial institutions must be framed on the basis of the departmental records as per loan register maintained by the PAOs and not as proposed by the companies or financial institutions. Accordingly, information to be given in the form **Appendix XLVI** should reflect the position as per departmental records. The estimates should show (i) defaults of repayments of interest upto **31.3.2020** company-wise, (ii) **BE 2020-21** (iii) **RE 2020-21** (iv) **BE 2021-22** on the basis of current dues according to loan registers. Separately in a footnote, assessment of the prospects of recovery of dues as approved by F.A. may also be given in 'Remarks' column. The amount due for recovery as interest & loan repayment during **2020-21 and 2021-22** should also be shown distinctly for each PSU.

17.19 Interest charged on capital outlay of departmental commercial undertakings should correspond to expenditure provisions for the purpose. The controllers of Accounts while framing the estimates may invariably ensure that this correspondence is maintained. Average rate of interest to be adopted for this purpose is being advised separately.

17.20 Reliefs and concessions provided to various PSUs in the form of write off of loans, waiver of interest/guarantee fee are reflected in Expenditure Budget as distinct items of expenditure with equivalent receipts assumed thereunder. These are all non-cash expenditure. The receipts so assumed in such cases may also be included in the Receipts Budget while furnishing receipts estimates to Budget Division.

## 18 CAPITAL RECEIPTS

18.1 Estimates of Capital receipts from Ministries/Departments will include receipts by way of loan repayments, disinvestment of equity holdings in Public Sector Enterprises, issue of bonus shares by the PSEs in favour of Central Government, and net receipts under Public Account transactions.

18.2 Estimates of receipts by way of loan repayments will be furnished in forms at **Appendices XLV and XLVI**, along with estimates of interest receipts. Where such receipts are notional (by way of write off or refinancing through fresh loans or conversion into equity), the fact should be highlighted in the 'Remarks' column. Likewise, any modification in the terms of repayment, like extension of period of moratorium and/or repayment, should also be indicated. Here also the estimates should fully reflect the endeavors to realise the amounts due from the various loanees.

18.3 Estimates of receipts in respect of bonus shares, issued by Government companies in favour of the Central Government, classifiable under Major Head '4000-Miscellaneous Capital Receipts' will be furnished company-wise by the Controller of Accounts in form at **Appendix-LIV**. The estimates should correspond to the provisions for related investments included on the expenditure side.

18.4 The estimates of disinvestment of equity holdings in Public Sector Enterprises and dividend receipts and profits may be centrally furnished by DIPAM along with the bifurcation of disinvestment proceeds by Ministry/Department and CPSE.

18.5 The estimates of receipts in form **Appendix-XLV** in so far as Government servants are concerned, will include estimates of interest receipts and Estimates of repayment of loans.

18.6 **PUBLIC ACCOUNT:** The Controllers of Accounts and the Accounts Officers of Union territory Governments/Administrations concerned (i.e. both with and without legislatures) should make a detailed review of the Public Account transactions which are accounted for in their books, and work out on the basis of the past trends and other information available with them, estimates for receipts and payments under it relating to their Ministries/Departments. The estimates of receipts and outgoings should be prepared on separate sheets. These estimates should reach Budget Division **latest by 16<sup>th</sup> October, 2020** in the form at **Appendix-XLVII**. The estimates should have footnotes explaining the nature of the transactions and adequate explanations for any major variation in estimates with reference to past actuals and Budget Estimates. The estimates to be furnished to Budget Division should be as approved by the Financial Adviser and duly consolidated and complete in all respects, for the Ministry/Department as a whole, Demand-wise. These should not be sent in piecemeal.

18.7 Estimates relating to Group Insurance Scheme for Central Government employees introduced from **1.1.1982** will be furnished to the Budget Division by the Chief Controller of Accounts, Finance and those relating to the Union Territory Government Employees Group Insurance Scheme introduced with effect from **1.1.1984** by the Ministry of Home Affairs (U.T. Cell).

18.8 Ministry of Railways (Railway Board), Department of Telecommunications and Ministry of Defence (Finance Division) in respect of Defence Services will furnish estimates of Public Account transactions in their Cash Requirement Estimates.

18.9 Normally Ministries/Departments should not have any large transactions in Public Account except in areas like provident funds and approved special deposits. No net debit or credit in a year in the Public Account will, therefore, be accepted except with full justification.

18.10 All the receipts whether interests, guarantee fee, disinvestment, etc., have to be entered entity-wise or category-wise for the BE of the next financial year. Once the figures are finalized and approved, the same may be fed into the PFMS portal. In the case of RE figures in this regard, the same may be entered in the PFMS portal once the Budget Division of the Ministry of Finance communicates the same to the Ministry. This is the responsibility of the 'receipt-budget – preparing authority'.

OFFICE MEMORANDUM

**Subject: Rationalization of Centrally Sponsored Schemes- Based on the Recommendations and suggested course of action by the Sub-Group of Chief Ministers- approved by the Cabinet.**

Based on the recommendations of the Sub-Group of Chief Ministers and consultation with various Ministries/ Departments and other stakeholders, Government of India has decided, with the approval of the Cabinet, to rationalize the Centrally Sponsored Schemes (CSSs) in the following manner:

**1. National Development Agenda:**

1.1. The following sectors would form a part of the National Development Agenda:

- I. Poverty Elimination – Livelihoods, Jobs and Skill Development
- II. Drinking Water and Swachh Bharat Mission
- III. Rural Connectivity: Electricity; Access Roads and communication
- IV. Agriculture, including Animal husbandry, Fisheries, Integrated Watershed Management and Irrigation
- V. Education, including Mid-Day Meal
- VI. Health, Nutrition, Women and Children
- VII. Housing for All: Rural and Urban
- VIII. Urban Transformation
- IX. Law and Order, Justice Delivery Systems
- X. Others, which may include: Wildlife Conservation and Greening

1.2. The Union and the State Governments would focus jointly on the achievement of the overarching objectives through the instrumentality of CSS.

**2. Number of CSS & their Classification:**

2.1. The existing 66 Centrally Sponsored Schemes (CSSs) have been rationalized into 28 umbrella schemes. The list of schemes approved by the Cabinet is enclosed at Annexure-I.

2.2. Out of 28 umbrella schemes, 6 schemes have been categorized as Core of the Core schemes, 20 schemes as Core schemes, and remaining two as Optional schemes. If required, related schemes could be merged and implemented as "Umbrella Schemes", with flexibility to States to administer the admissible components in line with State-specific requirements.

2.3. Core Schemes will have compulsory participation by the States, whereas participation amongst the Optional Schemes would be by choice.

2.4. Core of the Core Schemes are legislatively backed or are designed to subserve the vulnerable sections of our population, and existing funding pattern will continue for these Schemes.

2.5. Classification and share of the Central Government for the Border Area Development Programme (BADP) will be decided by the Finance Minister in consultation with Ministry of Home Affairs and NITI Aayog.

### **3. Budgeting Core and Optional schemes:**

3.1. Allocation of funds for the Core Schemes in the Union Budget shall be done by Ministry of Finance in the Demand for Grants of the Central Line Ministries. Inter-state distribution shall be on the basis of criteria evolved by a *Committee comprising Secretary of Nodal Administrative Ministry as Chairman, Financial Adviser of the Ministry, and Adviser concerned of NITI Aayog as Members.*

3.2. For Optional Schemes, a lump sum provision for each State may be intimated in advance on the basis of which states would inform the Ministry of Finance of the preferred distribution within the overall ceiling indicated.

3.3. The Consolidated Demand for the States under this head would be routed through the NITI Aayog to the Ministry of Finance.

3.4. Additionally, the State will have a flexibility of portability from the Optional schemes (should it choose not to utilize its entire allocation under that head) to any other CSS component within the overall budgetary allocation for the State under Central Assistance to State Plans (CASP).

### **4. Funding Pattern:**

4.1. The existing funding pattern will continue for Core of the Core schemes.

4.2. For Core Schemes, the funding pattern for the 8 North Eastern States and Himalayan States of Uttarakhand, Himachal Pradesh and Jammu & Kashmir shall be Centre: 90% and State: 10%, whereas for the rest of the States this ratio shall be Centre: 60% and State: 40%.

4.3. For Optional Schemes, the funding pattern for the 8 North Eastern States and Himalayan States of Uttarakhand, Himachal Pradesh and Jammu & Kashmir shall be Centre: 80% and State: 20%, whereas for the rest of the States this ratio shall be Centre: 50% and State: 50%.

4.4. Ordinarily, no CSS will be sanctioned where the central share is less than 50%.

4.5. However, all the sharing patterns indicated above shall be subject to the proviso that if the central share is already below that indicated in the sharing pattern, then the Centre's share would remain capped at their present level.

### **5. Cost norms:**

5.1. In construction-based schemes, States may decide cost norms on the basis of Schedule of Rates applicable to the concerned States. Flexibility in cost norms is also introduced in non-construction based schemes, wherever possible. However, the flexibility provided shall be subject to the condition that such flexibility would not create any entitlements for an increased allocation under a Scheme.

## 6. Flexibility and Flexi-funds:

6.1. While designing the CSS, the Central Ministries shall permit flexibility in the choice of components to the States as available under the Rashtriya Krishi Vikas Yojana (RKVY).

6.2. The flexi-funds available in each CSS has been raised from the current level of 10 percent to 25 percent for States and 30 percent for UTs of the overall annual allocation under each Scheme so that the implementation can be better attuned to the needs of individual States/ UTs.

## 7. Release of Funds:

7.1. Release of an instalment would not be predicated on producing Utilization Certificates (UCs) of the last instalment, and that release would be based on the furnished UC of the penultimate (last to last) instalment.

7.2. A pre-authorization based approach would be adopted on a financial year basis, with a gradual transition towards an automated 'just-in-time' release of cash on a quarterly basis during 2016-17 to remove uncertainty in release of central share of CSS.

7.3. The extant procedure, which mandates immediate release of funds from State Treasuries to implementing agencies failing which penal rate is imposed, is abolished.

7.4. Tracking of expenditure is important as a monitoring tool. Hence, the Public Financial Management System (PFMS) would be suitably integrated with the State Treasuries in 2016-17 itself. However, such integration should not be a condition precedent for release of funds to States.

7.5. States with comfortable cash position are allowed to seek their share of Central Assistance as reimbursements after having funded the activities/projects through their own funds.

## 8. Local Body Grants:

8.1. In respect of releases to Local Bodies from Government of India, the State Governments are permitted to issue suitable advisories relating to prioritization for development expenditure with respect to Schemes/Sectors in the National Development Agenda especially relating to basic services out of the substantial funds that will devolve on them with effect from 2015-16.

## 9. Institutional Arrangement:

9.1. A Standing Committee would be constituted, under the Chairpersonship of CEO, NITI Aayog with nominees from every State/UT and suitable representation from Ministry of Finance and concerned Central Ministries, for ensuring smooth implementation of CSS.

9.2. This Committee would meet at least twice a year. The first meeting would be held immediately after the finalization of the Union Budget, and the second meeting would be held in November/December.

9.3. The deliberations of the Committee must be guided by an approach that focuses on problem-solving, advocacy and handholding on behalf of the States, as well as providing a forum for sharing and dissemination of best practices.

9.4. This arrangement would be without prejudice to the responsibility cast upon Central Ministries to monitor the implementation of Schemes relating to their Ministry.

**10. Evaluation of the Schemes:**

10.1. NITI Aayog shall take up monitoring and independent evaluation of important Centrally Sponsored Schemes, especially as there is a need to transit from monitoring expenditure to monitoring outcomes.

**11. Arrangement for UTs:**

11.1. The transfer of funds to UTs for non-plan and non-development purposes is administered through the Demand for Grants of the Ministry of Home Affairs (MHA). The existing arrangements would continue.

11.2. Funds for development purposes, both for Central Sector and Schemes under the National Development Agenda, would be allocated UT-wise by Ministry of Finance on the basis of consultation with UTs and NITI Aayog.

11.3. Instead of implementing a large number of schemes, UTs would be given flexibility in choosing the sectors in which they have identified potential and where they are likely to benefit from concerted interventions.

11.4. All Core and Optional Schemes would be funded 100% by Centre in all UTs (without legislature). For UTs (with legislature), existing funding pattern would be followed for all Core of the Core and Core Schemes. For Optional Schemes, the funding pattern of 80% by Centre and 20% by UTs (with legislature) would be followed.

11.5. For better synergy between Central sector and Centrally Sponsored Schemes, UTs in consultation with NITI Aayog may also recommend restructuring of Central sector initiatives, if required, in the selected sectors.

**12. Review:**

12.1. The actual working of these provisions would be reviewed for desired course correction in the spirit of cooperative federalism after two years or any other suitable period.

13. These arrangements have come into force in the current year 2016-17.

**Subject: Investment Management of CPSEs- Guidelines on Capital Restructuring of Central Public Sector Enterprises (CPSEs).**

**Background**

Department of Public Enterprises (DPE), Department of Expenditure & Department of Economic Affairs in the Ministry of Finance have issued guidelines from time to time on issue of bonus shares, buyback of shares, splitting of shares and dividend. As announced in the Budget 2016-17, the Government is adopting a comprehensive approach for efficient management of its investment in CPSEs by addressing inter-related issues, such as capital restructuring, dividend, bonus shares, etc.

2. The resource management issues for a CPSE needs to be looked into in the context of the focus of the Government to, inter-alia, spur economic growth through efficient management of GoI's investment in CPSEs. It is, therefore, imperative that Government of India's interests as a majority shareholder investor in a CPSE are duly represented through the nominee 'official director' on the Board of the company. The nominee directors should discharge their responsibility to ensure efficient allocation of GoI's investment in CPSEs for growth and economic development. It may require that an appropriate view is taken by the Department/Administrative Ministry in such financial matters before the board meetings in line with this approach.

3. In the above background, the guidelines on these subjects need to be rationalized so as to comprehensively capture the various aspects of capital restructuring of CPSEs. Accordingly, in supersession of guidelines issued earlier, the following consolidated guidelines on general principles and mechanism for capital restructuring of CPSEs is issued as below:

**4. Applicability:**

4.1 These guidelines shall apply to all corporate bodies where Government of India and/or Government controlled one or more body corporate have controlling interest [hereinafter would be referred to as Central Public Sector Enterprises (CPSEs) for these guidelines ].

4.1.1 Body corporate shall include body incorporated under the provisions of the Companies Act, 1956 or the Companies Act, 2013, or under any other Act as may be applicable except Limited Liability Partnership.

4.1.2 Controlling interest means control over the composition of the Board of Directors; or exercise or control over more than one-half of the total share capital or able to exercise more than 50 per cent voting rights in the meeting of the members, Board of Directors or any other similar executive structure, e.g., Governing Body, Executive Committee, etc.

4.1.3 A body corporate in which Government of India and/ or CPSEs including their subsidiaries controls the composition of the Board of Directors; or exercises or controls more than one-half of the total share capital shall be deemed to be a body controlled by Government of India.

4.2 These guidelines for payment of dividend, issue of bonus shares and buyback of shares shall not apply to the body corporate which is prohibited from distribution of profits to its members, e.g. companies set up under section 8 of the Companies Act, 2013 or under extant provisions of any other Act or which has accumulated losses.

4.3 The guidelines for payment of dividend shall be applicable from financial year ending on or after 31<sup>st</sup> March, 2016 and the guidelines for issue of bonus shares, buyback and splitting of shares shall be applicable from financial year starting 1<sup>st</sup> April, 2016 or thereafter.

4.4 CPSEs shall ensure compliance of these guidelines by taking up this matter as an agenda item along with a compliance note in the Board meeting of the company convened for finalization and approval of its annual account. Requisite approval of shareholders/ members shall be obtained in the AGM/ EGM to be held immediately thereafter.

## **5. Payment of Dividend**

5.1 Department of Expenditure vide its O.M. Nos. 7(5)E-Coord/2004 and O.M No. 7(2)E-Coord/2005 dated 27/09/2004 and 23/11/2005 respectively & Department of Economic Affairs vide O.M. 3(3)-B(S)/2015 dated 05/01/2016 have issued guidelines on dividend payout by CPSEs. However, it is observed that CPSEs are not restructuring their capital by issue of bonus shares to maintain healthy balance in capital and net-worth. Declaration of dividend at reasonable rate on a regular interval boosts investor's confidence. Although dividend is paid on paid up share capital, dividend payout should be seen with reference to return to shareholder's money, i.e. net-worth. Hence, return on net-worth in the form of dividend is a desirable parameter for increasing the investor's confidence in the company. Moreover, return on net-worth needs to be compared with alternative investment opportunities available to the investors. Hence there is a felt need for a clear dividend policy and CPSEs need to take a decision on dividend within a clearly articulated framework/guidelines of the Government.

5.2 In supersession of earlier guidelines, every CPSE would pay a minimum annual dividend of 30% of PAT or 5 % of the net-worth, whichever is higher subject to the maximum dividend permitted under the extant legal provisions.

5.3 Nonetheless, CPSEs are expected to pay the maximum dividend permissible under the Act under which a CPSE has been set up, unless lower dividend proposed to be paid is

justified after the analyses of the following aspects on a case to case basis at the level of Administrative Ministry/Department with the approval of Financial Advisers.

- (i) Net-worth of the CPSE and its capacity to borrow;
- (ii) Long-term borrowings;
- (iii) CAPEX/Business Expansion needs;
- (iv) Retention of profit for further leveraging in line with the CAPEX needs; and
- (v) Cash and bank balance.

5.4 The analysis should confirm that the retention of funds augmenting its net-worth is being optimally leveraged to ensure higher investment by the CPSEs. The report for exemption, if any, in this regard will be submitted by the CPSEs through their Administrative Ministry to Secretary, Department of Economic Affairs and Secretary, Department of Investment and Public Asset Management (DIPAM) before the end of second quarter of the financial year. .

## **6. Buyback of shares:**

6.1 The DPE had issued guidelines vide O.M. No. DPE/14(24)2011-Fin. Dated 26<sup>th</sup> March, 2012 regarding buyback of shares. These guidelines only provides that if a CPSE decides to buy back its own shares from the shareholders using surplus cash, Department of Disinvestment (DoD) on behalf of major shareholders may tender/offer equity on behalf of Government of India. It further provides that CPSEs will amend their Articles of Association to provide for buyback of shares, provided such provision does not exist in their Articles of Association.

6.2. It has been observed that CPSEs are not looking into the merit based capital restructuring including the option of buyback of shares if they do not have plans to deploy surplus funds optimally for business purposes. Although CPSEs have been set for specific purpose, some of them are not able to deploy the cash/bank balances for viable business expansion. In such cases, buyback of shares improves investors' confidence in the company and is likely to help the company to raise capital in future when it requires funds for expansion/ diversification for growth. Thus, it supports their market capitalization, which is in the overall long term interest of the company.

6.3. In supersession of earlier guidelines, every CPSE shall look into and analyse/ deliberate in first Board meeting after the closure of the financial year the following parameters for the purpose of buyback:

- (i) Cash and Bank balance;
- (ii) Capital Expenditure and business expansion as committed with reference to the CAPEX incurred in the last 3 years;
- (iii) Net-worth [Free reserves and paid-up capital, including other reserves (if any)];

- (iv) Long term borrowing and further capacity to borrow on the basis of its 'Net worth';
- (v) Any other financial commitments in the near future;
- (vi) Business/other receivables and contingent liabilities, if any; and
- (vii) Market price/book value of share.

6.4 Based on this analysis, it needs to be clearly brought out that surplus cash and bank balance with the CPSE shall be considered for restructuring of capital through buyback. However, every CPSE having net-worth of atleast **Rs. 2000 crore** and cash and bank balance of over **Rs. 1000 crore** shall exercise the option to buy-back their shares.

## 7. Issue of Bonus Shares:

7.1 The Department of Public Enterprises had issued guidelines on issue of bonus shares by Public Sector Undertakings vide O.M. No. DPE/12(6)/95-Fin. Dated 10<sup>th</sup> November 1995 and O.M. No. DPE/13(21)-Fin. Dated 25<sup>th</sup> November, 2011 respectively. These guidelines provide that each Administrative Ministry may direct the CPSEs under their respective control that enterprises having reserves in excess of three times of their paid up capital should immediately consider the scope for issuing bonus shares to Government of India and pro-rata to other existing shareholders if partial disinvestment had occurred so far.

7.2 The Department of Expenditure had issued O.M dated 24<sup>th</sup> September, 2004 providing for that all profit-making companies must also consider issuing bonus shares to the Government. Subsequently, the Department vide its O.M. dated 23<sup>rd</sup> November 2005 stipulated that PSEs having large cash/free reserves and sustainable profitability will issue bonus shares. The Department of Economic Affairs vide its O.M. dated 5<sup>th</sup> January, 2016 provides that CPSEs with large cash/free reserves and sustainable profits may issue bonus shares.

7.3 The Government has from time to time underlined the desirability that CPSEs should capitalize a portion of their large reserves by issuing *bonus shares* to the existing shareholders. The issue of *bonus shares* helps in bringing about a balance between paid up capital & accumulated reserves and elicits good public response to equity issues of the public enterprises and its market capitalisation.

7.4 In supersession of all guidelines issued earlier, every CPSE should look into and analyze/ deliberate in their Board meeting/ Finance Committee, the issue of bonus shares when their defined reserves and surplus are equal to or more than **5 times** of its paid up equity share capital. In case, if it is decided not to issue bonus shares, the nominee 'official director' shall ensure that the board analyses the justification for the decision, and reasons for the same be recorded specifically.

7.5 However, every CPSE shall issue bonus shares if their defined reserves and surplus is equal to or more than **10 times** of its paid up equity share capital.

7.6 Defined reserves and surplus would mean free reserves, the share premium account, and the capital redemption reserve account.

## **8 Splitting of Shares:**

8.1 Department of Expenditure vide its O.M. No. 7(2)/E-Coord/2005 dated 23<sup>rd</sup> November, 2005 provides that companies with high market price of shares will consider stock splits. However, it does not state when a CPSE needs to consider stock splits and simply mentions that CPSEs with high market price of share will consider splitting of shares.

8.2 It has been endeavor of the government to encourage participation of small investors in the capital market so as to increase the depth of the market, liquidity and trading volume of the shares. However, high price of shares sometimes acts as a deterrent for the investors to invest in the company. In view of this, the Board of the CPSEs needs to discuss and decide on the desirability of splitting the share.

8.3 However, a CPSE where market price or book value of its share exceeds **50** times of its face value will split-off its shares appropriately provided its existing face value of the share is equal to or more than Rs. 1.

## **9. Miscellaneous Provisions:**

9.1 Net-worth as referred to in the above guidelines would have the same meaning as defined in the Companies Act, 2013, as amended from time to time.

9.2 The above guidelines on payment of dividend, bonus shares, buyback and splitting of shares would be subject to the provisions of the Act under which a CPSE has been set up, as amended from time to time and any other extant regulations/rules.

9.3 In case, any CPSE is not able to comply with any of the above guidelines, specific exemption has to be obtained from DIPAM, Ministry of Finance, Government of India through their Administrative Ministry/Department. The Administrative Ministry will ensure the compliance of these guidelines and refer proposals for exemption(s) to the DIPAM alongwith their opinion/comments and concurrence of the Financial Adviser in the matter.

9.4 The Department of Public Enterprises (DPE) which conducts an annual survey may consider an appropriate modification, if required, in their existing format to adequately capture various aspects of the above guidelines for the efficient management of GoI's investment in CPSEs. The findings of the Survey may also be suitably incorporated in its annual publication on "Public Enterprises Survey".

No. 24(35)/PF-II/2012  
Government of India

Department of Expenditure

ANNEX - C  
(see Para 3.1)

North Block, New Delhi.  
Dated: 05 August, 2016

OFFICE MEMORANDUM

**Subject: Appraisal and Approval of Public Funded Schemes and Projects (except matters required to be placed before the Cabinet Committee on Security)**

---

Reference is invited to this Department OM no. 24(35)/PF-II/2012 dated 29<sup>th</sup> Aug, 2014 regarding the guidelines for formulation, appraisal and approval of Public Funded Plan Schemes and Projects. With the announcement in the Union Budget 2016-17 of doing away with Plan Non-Plan distinction at the end of Twelfth Five Year Plan, it is imperative that a plan non-plan neutral appraisal and approval system is put into place. After a comprehensive review of the extant guidelines in this regard, the revised guidelines placed below will henceforth apply to the formulation, appraisal and approval of public funded schemes and projects, except matters required to be placed before the Cabinet Committee on Security.

**2. Schemes** are program based cost centres through which the Ministries and Departments spend their budgetary and extra-budgetary resources for delivery of public goods and services to the citizens. They are of two types:

- a) *Central Sector Schemes* are implemented by the Central Ministries/Departments through their designated implementation agencies and funds are routed through the functional heads relevant for the sector.
- b) *Centrally Sponsored Schemes* are implemented within the domain of National Development Agenda identified by the Committee of Chief Ministers constituted by NITI Aayog. They can have both *Central and State Components*. While the former are fully funded by the Central Government and implemented through functional heads like the central sector schemes in para-a above, the latter are routed through the inter-governmental transfer heads 3601/3602. The expenditure on State Components is shared between the Central and State Governments in accordance with the fund sharing pattern approved for the purpose.

**3. Projects** are best understood by the common-sense usage of the term. They involve one-time expenditure resulting in creation of capital assets, which could yield financial or economic returns or both. Projects may either be approved on stand-alone basis or as individual projects within an approved scheme envelope. They may be executed through budgetary, extra-budgetary resources, or a combination of both.

**4. Rationalization:** It was found that over the years Ministries/Departments had started operating small and multiple schemes, which spread resources too thinly to realise any meaningful outcomes. In the run up to the Union Budget 2016-17, Schemes were rationalized in consultation with the implementing Ministries/Departments. As per para-113 of the Budget Speech 2016, the number of Central Sector Schemes was brought down to around 300 and the number of Centrally Sponsored Schemes to around 30. However, this exercise is not an end in itself. In reiteration of the standing instructions in this regard and to ensure efficient management of public expenditure at all times, it is directed that henceforth:

- i. No new Scheme or Sub-Scheme will be initiated without the prior "in-principle" approval of the Department of Expenditure. This will, however, not apply to the announcements made in the Budget Speech for any given year.
- ii. The Statement of Budget Estimates should be prepared in accordance with the approved scheme architecture and any deviation in this regard should be *a priori* agreed with the concerned division of the Department of Expenditure.
- iii. Administrative Ministries/Departments should continuously endeavour to merge, restructure or drop existing schemes and sub-schemes that have become redundant or ineffective with the passage of time. For this, the restriction of in-principle approval mentioned in para-(i) above will not apply.
- iv. Department of Expenditure reserves the right to merge, restructure or drop any existing scheme or sub-scheme, in consultation with the Administrative Department concerned, to enhance efficiency and improve economies of scale in the execution of government programs.

**5. Formulation:** The quality of Scheme or Project Formulation is the key bottleneck leading to poor execution at the implementation stage, including time and cost over-runs, often resulting in a series of revised cost estimates. Additional time and effort spent at the scheme/ project formulation stage can not only save precious resources, but also enhance the overall impact, leading to a qualitative improvement in outcomes.

For all new Schemes, a Concept Paper should be prepared while seeking in-principle approval, holding stakeholder consultations, conduct of pilot studies etc. While submitting proposals for continuation of on-going schemes, a careful rationalization must be done through merger and dropping of redundant schemes. The feedback from the formulation stage should be used for improving the scheme design so that a Detailed Paper can be presented for appraisal at the EFC stage.

Similarly, project preparation should commence with a Feasibility Report, which helps establish the project is techno-economically sound and resources are available to finance the project. It provides a firm basis for starting land acquisition, approval of pre-investment activities, etc. In-principle approval for initiating a project will be granted by the Financial Adviser concerned after examining project feasibility and availability of financial resources.

Generic structure of a Detailed Paper for Schemes/Detailed Project Report for Projects is given at Annex-I. While designing new schemes/sub-schemes, the core principles to be kept in mind are economies of scale, separability of outcomes and sharing of implementation machinery. Schemes which share outcomes and implementation machinery should not be posed as independent schemes, but within a unified umbrella program with carefully designed convergence frameworks.

**6. Appraisal:** The Institutional framework for appraisal of Schemes and Projects is given at Annex-II. Depending on the level of delegation, the Schemes will be appraised by the Expenditure Finance Committee (EFC) or the Standing Finance Committee (SFC), while Projects will be similarly appraised by the Public Investment Board (PIB) or the Delegated Investment Board (DIB). The step-wise time-lines for appraisal are given at Annex-III. The formats for submitting Schemes and Project Proposals are given at Annex-IVA and Annex-IVB respectively. For Schemes, a Concept/Detailed Paper which outlines the overall scheme

architecture and its main structural elements should be attached. Similarly, for Projects either the Feasibility or the Detailed Project Report should be attached. *The word Scheme is used here in a generic sense.* It includes programs (umbrella schemes), schemes and sub-schemes, which, depending on the need, may be appraised as stand-alone cost centres.

**7. New Bodies:** No new Company, Autonomous Body, Institution/University or other Special Purpose Vehicle should be set up without the approval of the Cabinet/Committee of the Cabinet, irrespective of the outlay, or any delegation that may have been issued in the past. All such cases would be appraised by the Committee of Establishment Expenditure chaired by the Expenditure Secretary for which separate orders will be issued by the Pers. Division. If setting up of a New Body involves project work, combined CEE/EFC/PIB may be held.

**8. Original Cost Estimates:** The delegation of powers for appraisal and approval of *Original Cost Estimates (OCE)* is given in the table below.

Scheme//Project Appraisal		Scheme/Project Approval	
Cost (Rs. Cr.)	Appraisal by	Cost (Rs. Cr.)	Approval by
Up to 100	The Financial Adviser	Up to 100	Secretary of the Administrative Department
> 100 & up to 500	SFC/DIB Chaired by Secretary of the Admn. Dept.	>100 & up to 500	Minister-in-charge of the Administrative Department
> 500	EFC/PIB Chaired by the Expenditure Secretary, except departments/ schemes/projects for which special dispensation has been notified by the Competent Authority	> 500 & up to 1000	Minister-in-charge of the Admn. Dept. and Finance Minister, except where special powers have been delegated by the Finance Ministry
		> 1000	Cabinet/ Committee of the Cabinet concerned with the subject

- Note:**
1. The financial limits above are with reference to the total size of the Scheme/Project being posed for appraisal and includes budgetary support, extra-budgetary resources, external aid, debt/equity/loans, state share, etc.
  2. Financial Advisers may refer any financial matter and may also seek participation of the Department of Expenditure in the SFC/DIB meetings, if required. For proposals above Rs. 300 crore such a participation would be mandatory.
  3. Delegated powers should be exercised only when the budgetary allocation or medium-term scheme outlay as approved by Department of Expenditure is available.
  4. While exercising delegated powers, the Ministries/Departments should also ensure the proposals are subject to rigorous examination in project design and delivery, and careful attention should be paid to recurring liabilities and fund availability after adjustment of the committed liabilities.
  5. For appraisal and approval of PPP projects separate orders issued by the Department of Economic Affairs will apply.

**9. Revised Cost Estimates:** Any Increase in costs due to statutory levies, exchange rate variation, price escalation within the approved time cycle and/or increase in costs up to 20 percent due to any other reason, are covered by the approval of the original cost estimates. Any increase in this regard would be approved by the Secretary of the Administrative Department concerned with the concurrence of the Financial Adviser.

Any increase in costs beyond 20 percent of the firmed-up cost estimates due to time overrun, change in scope, under-estimation, etc. (excluding increase in costs due to statutory levies, exchange rate variation and price escalation within the approved time cycle) should first be placed before a Revised Cost Committee chaired by the Financial Adviser (consisting of the Joint Secretary in-charge of the program division and representative of the Chief Adviser Cost as members) to identify the specific reasons behind such increase, identify lapses, if any, and suggest remedial measures for the same. The recommendations of the Revised Cost Committee should be placed for fresh appraisal and approval before the competent authority as per the extant delegation of powers (It may be noted that a firmed-up cost estimate here means a cost estimate which has been through the full appraisal and approval procedure as per the extant delegation of powers).

**10. Pre-Investment Activities** include preparation of Feasibility Reports, Detailed Project Reports; Pilot Experiments/Studies for Schemes; Survey/Investigation required for large projects; payment for land acquisition in accordance with the orders of a competent authority under the law; construction of boundary wall, access roads, minor bridges/culverts, water-power lines, site offices, temporary accommodation, etc. at the project site; preparation of environment management plans, forestry and wildlife clearances; compensatory afforestation, payment for conversion of forest land to non-forest purposes, etc.

Pre-investment activities up to Rs. 100 crore (including budgetary and extra-budgetary resources) may be approved by the Secretary of the Administrative Department with the concurrence of the Financial Adviser concerned provided financial resources are available and in-principle approval has been obtained, wherever necessary. For pre-investment activities above Rs. 100 crore, the prescribed appraisal and approval procedure should be followed. When firmed-up cost estimates are put up for approval, the expenditure on pre-investment activities should be included in the final cost estimates for the competent authority to get a full picture of the total resources required for the scheme or the project to be implemented.

**11. Medium Term Outlay:** It has been stated in para-110 of the Budget Speech 2016 that every scheme should have a *sunset date* and an *outcome* review. In the past, every scheme was revisited at the end of each plan period. After the Twelfth Five Year Plan, the medium term framework for schemes and their sunset dates will become coterminous with the Finance Commission Cycles, the first such one being the remaining Fourteenth Finance Commission (FFC) period ending March, 2020. This is necessary because fixation of medium term scheme outlay needs a clarity over flow of resources, which is likely to be available to both Central and State Governments over the Finance Commission periods.

Accordingly, it is directed that at the end of the Twelfth Plan period all Ministries/ Departments should undertake an outcome review and re-submit their Schemes for appraisal and approval, unless the scheme has already been made coterminous with the FFC period. The Department of Expenditure will, on its part, communicate, in consultation with the Budget Division, the outlays for both Central Sector and Centrally Sponsored

Schemes over the remaining FFC period. The same process will, *mutatis mutandis*, apply to the subsequent Finance Commission Cycles.

**12. Outcomes and Evaluation:** Finance Secretary vide D.O. 66(01)/PF.II/2015 Dated 18<sup>th</sup> May 2016. (Annex-V) has directed all Ministries/Department to prepare an output-outcome framework for each Central Sector and Centrally Sponsored Scheme with the approval of CEO NITI Aayog. Measurable outcomes, which deal with the quality aspect of schemes and programs, need to be defined over the relevant medium term framework, while physical and financial outputs need to be targeted on year-to-year basis in such a manner that it aggregates to achieve the measurable outcomes over the medium term. NITI Aayog, while approving the output-outcome framework, will kick-start a third party evaluation process for both Central Sector and Centrally Sponsored Schemes. Extension of Schemes from one Finance Commission Cycle to another would be contingent on the result of such an evaluation exercise.

**13. Repeal:** The following OM's of Department of Expenditure, and linked circulars of other Departments, including the erstwhile Planning Commission, are hereby superseded:

- OM No. 24(35)/PF-II/2012 Dated 29<sup>th</sup> August, 2014
- OM No. 1(1)/PF-II/2011 Dated 31<sup>st</sup> March, 2014
- OM No. 1(3) PF-II/2001 Dated 1<sup>st</sup> April, 2010
- OM No. 1(3)/PF-II/2001 Dated 15<sup>th</sup> November, 2007
- OM No. 1(2)/PF-II/2003 Dated 7<sup>th</sup> May, 2003
- OM No. 1(3)/PF-II/2001 Dated 18<sup>th</sup> February, 2002
- OM No. 1(8)/PF-II/1998 Dated 30<sup>th</sup> October, 1998
- OM No. 1(6)/PF-II/1991 Dated 24<sup>th</sup> August, 1992
- OM No. 1(4)/PF-II/1984 Dated 25<sup>th</sup> August, 1984

The concerned Departments may, however, reissue their linked circulars in consultation with the Department of Expenditure after suitably realigning it with the new circular.

**This issues with the approval of the Finance Minister and will come into effect with immediate effect.**

**(ii) Problems to be addressed:** This section should elaborate the problem to be addressed through the project/scheme at the local/regional/national level. Evidence regarding the nature and magnitude of the problems should be presented, supported by baseline data/survey/ reports etc.

**(iii) Aims and Objectives:** This section should indicate the development objectives proposed to be achieved, ranked in order of importance. The outputs/deliverables expected for each development objective should be spelt out clearly.

**(iv) Strategy:** This section should present an analysis of alternative strategies available to achieve the development objectives. Reasons for selecting the proposed strategy should be brought out. Basis for prioritization of locations should be indicated (wherever relevant). Opportunities for leveraging government funds through public-private partnership or savings through outsourcing must be explored. This section should also provide a description of the ongoing initiatives, and the manner in which duplication can be avoided and synergy created with the proposed scheme/project.

**(v) Target Beneficiaries:** There should be clear identification of target beneficiaries. Stakeholder analysis should be undertaken, including consultation with stakeholders at the time of scheme/project formulation. Options regarding cost sharing and beneficiary participation should be explored and incorporated in the project. Impact of the project on weaker sections of society, positive or negative, should be assessed and remedial steps suggested in case of any adverse impact.

**(vi) Legal Framework:** This section should present the legal framework, if relevant, within which the scheme/project will be implemented, as well as the strengths and weaknesses of the legal framework in so far as it impacts on achievement of stated objectives.

**(vii) Environmental Impact:** Environmental Impact Assessment should be undertaken, wherever required, and measures identified to mitigate the adverse impact, if any. Issues relating to land acquisition, diversion of forest land, wildlife clearances, rehabilitation and resettlement should be addressed in this section.

**(viii) Technology:** This section should elaborate on the technology choices, if any; evaluation of the technology options, as well as the basis for choice of technology for the proposed project.

Issues relating to project sustainability, including stakeholder commitment, operation-maintenance of assets after project completion and other related issues should also be addressed in this section.

**(xi) Time Frame:** This section should indicate the proposed *zero* date for commencement and also provide a PERT/CPM chart, wherever relevant.

**(xii) Cost Benefit Analysis:** Financial and economic cost-benefit analysis of the project should be undertaken wherever such returns are quantifiable. Such an analysis should generally be possible for infrastructure projects, but may not always be feasible for public goods and social sector projects. Even in the case of latter, the project should be taken up for appraisal before the PIB and some measurable outcomes/deliverables suitably defined.

**(xiii) Risk Analysis:** This section should focus on identification and assessment of implementation risks and how these are proposed to be mitigated. Risk analysis could include legal/contractual risks, environmental risks, revenue risks, project management risks, regulatory risks, etc.

**(xiv) Outcomes:** Success criteria to assess whether the development objectives have been achieved should be spelt out in measurable terms. Base-line data should be available against which success of the project will be assessed at the end of the project (impact assessment). Similarly, it is essential that base-line surveys be undertaken in case of large, beneficiary-oriented schemes. Success criterion for scheme deliverables/outcomes should also be specified in measurable terms to assess achievement against proximate goals.

**(xv) Evaluation:** Evaluation arrangements for the scheme/project, whether concurrent, mid-term or post-project should be clearly spelt out. It may be noted that continuation of schemes from one period to another will not be permissible without a third-party evaluation.

Last but not the least, a self-contained **Executive Summary** should be placed at the beginning of the document. *In cases where only a Concept Paper or Feasibility Report is attached to the EFC/PIB proposal, it should cover the main points mentioned in the generic structure above.*

D.O.No.66(01)/PF.II/2015

18<sup>th</sup> May 2016

Dear Secretary,

Following rationalization of schemes in the 2016-17 BE, instructions were issued for preparation of outcome budgets with the approval of CEO, NITI Aayog. However, due to paucity of time outcome budget for 2016-17 was submitted in the old format with the understanding that follow up action will be taken soon thereafter.

2. It is again reiterated that outcomes need to be defined for both Central Sector Schemes and Centrally Sponsored Schemes. The following action needs to be taken in this regard:

- a) Measurable Outcomes need to be defined for each scheme over the medium term, that is going forward up to the year 2019-20 (the end of Fourteenth Finance Commission period).
- b) On the financial side, the budgetary allocation for 2016-17 may also be normatively projected going forward up to the year 2019-20 (assuming a normative increase of 5-10% every year).
- c) Year to year physical outputs, consistent with the financial resources projected above, need to be worked out in a manner that is not out of line with the measurable outcomes as defined in para (a) above.
- d) The output-outcome framework may be got approved from CEO, NITI Aayog by the end of the first quarter i.e. 30 June 2016.
- e) An evaluation framework will also be designed for each scheme based on this exercise. Continuation of any scheme beyond the Fourteenth Finance Commission period will be contingent on the result of such evaluation conducted by NITI Aayog.

3. I would request you to carefully identify the outcome parameters that would be true indicators of the desired outcome. This may be given top priority as the forthcoming RE/BE and outcome budgets will be based on this exercise.

With regards,

Yours sincerely,  
Sd/-

D.O.No.GB-15/4/2018-Gender Budgeting

Date : 23<sup>rd</sup> August, 2018

Dear Secretary,

As you may be aware, the Government of India is proactively working towards women's empowerment and gender equality through its various commitments at the National and International levels. The Ministry of Women and Child Development as the Nodal Ministry has adopted Gender Budgeting as a powerful tool for gender mainstreaming so as to ensure that the benefits of development reach women as much as men. The purpose of gender budgeting is to monitor planning and policies from a gender perspective, as a means to mainstreaming women's concerns. Similarly, Child Budgeting aims at ensuring budgets for children are prioritised according to their needs. As children are a constituency whose voice is often unheard, prioritising for their needs and earmarking budgets accordingly, is critical.

2. The Department of Economic Affairs, Ministry of Finance, through its D.O.F.No.1(29)-B(AC)/2004 dated 24<sup>th</sup> December 2004 instructed every Ministry/Department to establish a Gender Budget Cell (GBC). Gender Budget Cells aim at influencing and effecting a change in the Ministry's policies, programmes in a way that could tackle gender imbalances and promote gender equality through the implementation of various Gender Responsive Budgeting initiatives.

3. Women and children constitute 70% of the total population in India, hence it is necessary to carry forward the concerns for women and children through gender budgeting. I am happy to note that various Ministries and Departments have made great efforts towards gender budgeting initiatives. To further collaborate with your Ministry/Department, I wish to bring your attention to three major areas we would like to request your Ministry to address, are given as follows:

i. **Re-constitution and strengthening of the Gender Budget Cell as Gender and Child Budget Cell:**

A Gender and Child Budget Cell may be set up with the intention of implementing and committing to various Gender and Child Responsive Budgeting initiatives with the objective of influencing the Ministry's policies/programmes to promote gender equality and child development so as to ensure that budgets are allocated and managed accordingly.

ii. **Reporting on Gender and Child Budget Statements 13 and 12 respectively:**

The Gender Budget Statement (Statement 13) is an important tool for monitoring allocations towards women specific programmes which is requested as part

of the Budget Call Circular and is published alongside the Expenditure Budget Vol. 1 by Department of Expenditure. It is a reporting mechanism of Gender Budgeting to review the programmes of Ministries/Departments from a gender lens. It is requested that all schemes with a women component may be reported on the Gender Budget Statement. The same is requested for Child Budgets under Statement 12.

iii. **Appointing a Nodal Officer for Gender and Child Budgeting in your Ministry/Department**

In order to maintain the overall focus of the Ministry towards a gender perspective, it is requested to kindly nominate a Nodal Officer not below the rank of Joint Secretary from your Ministry/Department for the purpose of gender and child budgeting. Kindly forward the contact details to [ashok.jaiswal@nic.in](mailto:ashok.jaiswal@nic.in) with a copy to [mwcdgenderbudgeting@gmail.com](mailto:mwcdgenderbudgeting@gmail.com). The capacity building efforts for the nominated Nodal Officer may be sought from the Ministry of Women and Child Development.

4. I hope our joint efforts will provide for a conducive environment for the empowerment of women and children in the country and ensure inclusive growth for all.

With regards,

Yours sincerely,

(Rakesh Srivastava)

Secretary of all Ministries/Departments of Government of India.

 Government of India

New Delhi, 13<sup>th</sup> Sept. 2017

**Office Memorandum**

**Subject:** Pay revision of employees of Quasi-Government Organizations, Autonomous Organizations, Statutory Bodies etc. set up by and funded/controlled by the Central Government - Guidelines regarding.

(see Para 2.15)

The employees working in the Quasi-Government Organizations, Autonomous Organizations, Statutory Bodies etc. set up and funded/controlled by the Central Government, are not Central Government employees and, therefore, the benefits implemented by Central Government in respect of Central Government employees as part of their service conditions, are not directly applicable to the employees working in such autonomous organizations. The application of such benefits as given to Central Government employees in respect of employees of such autonomous organizations as well as the manner and conditions governing such application, including sharing of the additional financial implications arising thereon, requires specific approval of the Central Government. The autonomous organizations are expected to manage their affairs in such a fashion that their dependence on Central Government for financial support to meet the extra financial implications is minimal, as such autonomous organizations are expected to be financially self-sufficient so as not to cause any extra burden on the Central Exchequer.

2. In the above background, the question of extension of the revised pay scales in terms of the CCS (RP) Rules, 2016 as notified on 25.7.2016 in respect of Central Government employees based on the recommendations of the 7<sup>th</sup> Central Pay Commission, to the employees of the Quasi-Government Organizations, Autonomous Organizations, Statutory Bodies, etc., set up and funded/controlled by the Central Government, where pattern of emolument structure, i.e. pay scales and allowances, in particular Dearness Allowance, House Rent Allowance and Transport Allowance, are identical to those in case of the Central Government employees, has been considered by the Government and it has been decided that the revised pay scales as per the Pay Matrix, as contained in Part-A of the Schedule of the CCS(RP) Rules, 2016 as well as the principle of pay fixation as contained in the said rules, may be extended to the employees of such organizations, subject to the following stipulations:-

- (i) The conditions of service of employees of these organizations, especially those relating to hours of work, payment of OTA etc. are exactly similar to those in case of the Central Government employees,
- (ii) The revised pay structure shall be admissible to those employees who opt for the same in accordance with the extant Rules.
- (iii) Deductions on account of Provident Fund, Contributory Provident Fund or National Pension System, as may be applicable, will have to be made on the basis of the revised pay w.e.f. the date an employee opts to elect the revised pay structure.

3. The revised pay scales contained in Parts B & Part C of the Schedule of the CCS(RP) Rules, 2016, shall not be automatically applicable to the employees of Autonomous Organizations. The concerned Administrative Ministry shall consider such cases keeping in view whether these pay scales are justified for the category of staff of Autonomous Organizations based on functional considerations, recruitment qualifications, as well as the applicable pre-revised pay scales. Based on such an examination by the concerned Administrative Ministry, appropriate proposals, if justified, would be submitted to the Ministry of Finance, Department of Expenditure, through their Integrated Finance.

4. In case of those categories of employees whose pattern of emoluments structure, i.e., pay scales and allowances and conditions of service are not similar to those of the Central Government employees, a separate 'Group of Officers' in respect of each of the Autonomous Bodies may be constituted in the respective Ministry/Department. The Financial Adviser of the respective Ministry/Department will represent the Ministry of Finance on this Group. The Group would examine the proposals for revision of pay scales etc. taking into account the views, if any, expressed by the staff representatives of the concerned organizations. It would be necessary to ensure that the final package of benefits proposed to be extended to the employees of these Autonomous Organizations etc. is not more beneficial than that admissible to the corresponding categories of the Central Government employees. The final package recommended by the 'Group of Officers' will require the concurrence of the Ministry of Finance.

5. In regard to the additional financial impact arising out of the implementation of the revised pay scales, as provided above, the following parameters shall be kept in view:-

- (i) In respect of those Autonomous Organizations, which have not been depending upon the Government Grants for their operations or for meeting the cost of salary, including those autonomous organisations which are in a position to meet the additional financial impact from their own internal resources, the additional financial impact shall be met by the concerned autonomous organizations without any financial

support whatsoever from the Government. No financial support shall be given by the Central Government in such cases.

- (ii) In respect of the other Autonomous Organizations, which are not in a position to meet the additional financial impact, either fully or partly, on account of the implementation of the revised pay scales, the concerned autonomous organization will take up the proposals with the Financial Advisers of the respective Administrative Ministry/Department, bringing out the extent to which the additional cost could be met internally, the shortfall to be made up and the reasons for the shortfall. While giving concurrence to the implementation of the revised pay scales, the Financial Advisers shall ensure that the extent of Government support is kept at the minimum, and in no case the Government support shall be more than 70% (seventy percent) of the additional financial impact.
- (iii) In respect of Autonomous organisations set up under a specific Act of Parliament, not generating adequate internal resources to meet the additional financial impact, the extent of Government support may be more than 70% of the additional impact, provided in the opinion of the concerned Financial Adviser the nature of functions and the fund position of the organisations so warrant.
- (iv) The mode of payment of arrears, as laid down in Rule 14 of the CCS(RP) Rules, 2016 shall be followed, subject to the overall financial impact and the capacity of the concerned autonomous organization to absorb the cost without putting any avoidable burden on the Government's finances, provided the conditions mentioned above are met.

6. The Central Government has not taken any decision so far in regard to various allowances based on the 7<sup>th</sup> Central Pay Commission in respect of Central Government employees and, therefore, until further orders the existing allowances in the autonomous organizations shall continue to be admissible as per the existing terms and conditions, irrespective of the revised pay scales having been adopted.

**Office Memorandum**

**Subject: Public Account Committee (14th Lok Sabha) -Recommendation in Para No. 14 contained in Report No 17- Large-scale Unspent provisions- regarding.**

The undersigned is directed to refer to this Department's OM No.7(6)-B(R)/2001 dated 20th July, 2001 issued in the context of the Public Accounts Committee (13th Lok Sabha) in para 13.1 in their 16<sup>th</sup> Report, taking adverse note of the large scale unspent provisions of Rs.44,231.22 crore in the Grants/Appropriations operated by the Civil Ministries/Departments during the year 1996-97 and recommendation thereon (copy enclosed). Further to that Report the PAC of 14th Lok Sabha has inter alia recommended in para 14 of 17th Report that the Ministry of Finance, being the nodal Ministry should impress upon all the Ministries/Departments to make a thorough study of the cases where large scale (Rs.100 crore or more) unspent provisions have occurred and lay down appropriate guidelines for being followed by them in this regard.

2, In this context, attention is invited to Department of Expenditure's OM No. F.No. 5(6)/L&C/2006 dated 1<sup>st</sup> June 2006 regarding updated Scheme of Integrated Financial Adviser'. Para 9 (i) of the above mentioned OM enjoins upon Financial Advisors with the assistance of CCAs/CAs the responsibility of bringing in more analytical inputs" into the budget formulation process to ensure better inter se programme/prioritization and allocation within budget ceilings based on expenditure profiles of each programme, assessment of outcomes and current status of projects. Such analysis is envisaged to ensure a more realistic and efficient deployment of resources, reduce the reliance on supplementaries and help significantly control injudicious formulation of budget estimates/utilization of funds where "large savings'/unspent provisions can be reduced if not altogether avoided. Further in order to efficiently re-deploy the savings anticipated to occur in the financial year, the Financial Advisers are required to comply with the provisions in Rule 56 of the General Financial Rules 2005 for surrendering the savings to Government in time as per the dates prescribed by the Ministry of Finance.

3. It is expected that earlier instructions of this Ministry on the need for the individual Departments to put in place effective mechanism for realistically assessing "their requirement of funds in a way that would ward off the occurrence of unwarranted surrender of savings at a later date, may have been implemented by Departments/ Ministries concerned. The Public Accounts Committee" (PAC) in Para 14 of the 17th Report relating to Union Government Appropriation Accounts (Civil) 1996-97 has observed that "large scale unspent provisions under Grants/Appropriations by the civil Ministries/ Departments have become an almost recurring feature and the position is still to improve. The Committee are inclined to conclude that the concerned Ministries/Departments have not made any serious attempts to apply effective corrective measures in accordance with the Committee's recommendations". Therefore, in compliance with thB recommendation made by the PAC in this regard, the Financial Advisers are requested to carry out a thorough study of the cases/schemes where large scale unspent provisions have occurred and take the following appropriate action so as to avoid recurrence of large-scale unspent provisions in their respective Demands for Grants:

- (i) Budget Estimates and Revised Estimates shall be prepared with reference to the measurable/monitorable commitments made in the Outcome Budget and fiscal discipline enforced in implementation of programmes/projects to ensure 'value for money';

- (ii) Ministries/Departments may) review the expenditure profile of each major schemes/ programmes at regular intervals and apply the result of such analysis at the time of initial budget formulation so that a more realistic estimation of expenditure is made;
  - (iii) Ministries/Departments may, after carrying out such review, intimate this Ministry at the time of finalization of Revised Estimates of the current year the possible savings in their Grant for re• deployment of resources to other priority sectors;
  - (iv) In case any savings are identified even after finalization of Revised Estimates of the year,” surrender of such savings may be intimated to this Ministry immediately;
4. All Ministries/Departments are requested to note the above instructions for strict compliance.

**OFFICE MEMORANDUM**

**Subject: Expenditure Management – Economy Measures and Rationalisation of Expenditure.**

Ministry of Finance, Department of Expenditure has been issuing austerity instructions from time to time with a view to containing non-developmental expenditure and releasing of additional resources for priority schemes. The last set of instructions was issued on 18<sup>th</sup> September 2013 after passing of the Union Budget. Such measures are intended at promoting fiscal discipline, without restricting the operational efficiency of the Government. In the context of the current fiscal situation, there is a need to continue to rationalise expenditure and optimize available resources. With this objective, the following measures for fiscal prudence and economy will come into immediate effect:-

**2.1 Cut in Non-Plan expenditure:**

For the year 2014-15, every Ministry / Department shall effect a mandatory 10% cut in non-Plan expenditure excluding interest payment, repayment of debt, Defence capital, salaries, pension and Finance Commission grants to the States. No re-appropriation of funds to augment the Non-Plan heads of expenditure on which cuts have been imposed shall be allowed during the current fiscal year.

## 2.2 **Seminars and Conferences:**

- (i) Utmost economy shall be observed in organizing conferences/ Seminars/workshops. Only such conferences, workshops, seminars, etc. which are absolutely essential, should be held wherein also a 10% cut on budgetary allocations (whether Plan or Non-Plan) shall be effected.
- (ii) Holding of exhibitions/fairs/seminars/conferences abroad is strongly discouraged except in the case of exhibitions for trade promotion.
- (iii) There will be a ban on holding of meetings and conferences at five star hotels except in case of bilateral/multilateral official engagements to be held at the level of Minister-in-Charge or Administrative Secretary, with foreign Governments or international bodies of which India is a Member. The Administrative Secretaries are advised to exercise utmost discretion in holding such meetings in 5-Star hotels keeping in mind the need to observe utmost economy in expenditure.

## 2.3 **Purchase of vehicles:**

Purchase of new vehicles to meet the operational requirement of Defence Forces, Central Paramilitary Forces & security related organizations are permitted. Ban on purchase of other vehicles (including staff cars) will continue except against condemnation.

## 2.4 Domestic and International Travel:

- (i) Travel expenditure {both Domestic Travel Expenses (DTE) and Foreign Travel Expenses(FTE)} should be regulated so as to ensure that each Ministry remains within the allocated budget for the same after taking into account the mandatory 10% cut under DTE/FTE (Plan as well as Non-Plan). Re-appropriation/ augmentation proposals on this account would not be approved.
- (ii) While officers are entitled to various classes of air travel depending on seniority, utmost economy would need to be observed while exercising the choice keeping the limitations of budget in mind. However, **there would be no bookings in First Class.**
- (iii) Facility of Video Conferencing may be used effectively. All extant instructions on foreign travel may be scrupulously followed.
- (iv) In all cases of air travel the lowest air fare tickets available for entitled class are to be purchased/ procured. No companion free ticket on domestic/ international travel is to be availed of.

## 2.5 Creation of Posts

- (i) There will be a ban on creation of Plan and Non-Plan posts.
- (ii) Posts that have remained vacant for more than a year are not to be revived except under very rare and unavoidable circumstances and after seeking clearance of Department of Expenditure.

**3. Observance of discipline in fiscal transfers to States, Public Sector Undertakings and Autonomous Bodies at Central/State/Local level:**

3.1 Release of Grant-in-aid shall be strictly as per provisions contained in GFRs and in Department of Expenditure's OM No.7(1)/E.Coord/2012 dated 14.11.2012.

3.2 Ministries/Departments shall not transfer funds under any Plan schemes in relaxation of conditions attached to such transfers (such as matching funding).

3.3 The State Governments are required to furnish monthly returns of Plan expenditure – Central, Centrally Sponsored or State Plan – to respective Ministries/Departments along with a report on amounts outstanding in their Public Account in respect of Central and Centrally Sponsored Schemes. This requirement may be scrupulously enforced.

3.4 The Chief Controller of Accounts must ensure compliance with the above as part of pre-payment scrutiny.

**4. Balanced Pace of Expenditure:**

4.1 As per extant instructions, not more than one-third (33%) of the Budget Estimates may be spent in the last quarter of the financial year. Besides, the stipulation that during the month of March the expenditure should be limited to 15% of the Budget Estimates is reiterated. It may be emphasized here that the restriction of 33% and 15% expenditure ceiling is to be enforced both scheme-wise as well as for the Demands for Grant as a whole, subject to RE ceilings. Ministries/ Departments which are covered by the Monthly Expenditure Plan (MEP) may ensure that the MEP is followed strictly.

4.2 It is also considered desirable that in the last month of the year payments may be made only for the goods and services actually procured and for reimbursement of expenditure already incurred. Hence, no amount should be released in advance (in the last month) with the exception of the following:

- (i) Advance payments to contractors under terms of duly executed contracts so that Government would not renege on its legal or contractual obligations.
- (ii) Any loans or advances to Government servants etc. or private individuals as a measure of relief and rehabilitation as per service conditions or on compassionate grounds.
- (iii) Any other exceptional case with the approval of the Financial Advisor. However, a list of such cases may be sent by the FA to the Department of Expenditure by 30<sup>th</sup> April of the following year for information.

4.3 Rush of expenditure on procurement should be avoided during the last quarter of the fiscal year and in particular the last month of the year so as to ensure that all procedures are complied with and there is no infructuous or wasteful expenditure. FAs are advised to specially monitor this aspect during their reviews.

5. No fresh financial commitments should be made on items which are not provided for in the budget approved by the Parliament.

6. These instructions would also be applicable to autonomous bodies funded by Government of India.

## 7. Compliance

Secretaries of the Ministries / Departments, being the Chief Accounting Authorities as per Rule 64 of GFR, shall be fully charged with the responsibility of ensuring compliance of the measures outlined above. Financial Advisors shall assist the respective Departments in securing compliance with these measures and also submit an overall report to the Minister-in-Charge and to the Ministry of Finance on a quarterly basis regarding various actions taken on these measures / guidelines.

**OFFICE MEMORANDUM**

**Subject: Decentralisation of budget provisions in respect of 'works expenditure' from the Demands for Grants of Ministry of Urban Development and reflecting them in the respective Demands for Grants of the Ministries/Departments concerned.**

Attention is invited to this Ministry's O.M. issued under F.No.1(5)-B(AC)/2005 dated 12.10.2006 wherein certain Ministries/Departments were allowed to reflect the budget provision on 'works expenditure' (capital provision towards construction of office/residential/non-residential building) in their own Demands for Grants from the Budget for 2007-2008.

2. The issue has been examined afresh. Considering the need for expeditious execution/completion of capital works and the flexibility available to Ministries/Departments to assign repair works estimated to cost above ₹ 30 lakhs and original/minor works of any value to any Public Works Organisation (PWO) such as Central Public Works Department (CPWD), State Public Works Department, others Central Government organisations authorised to carry out civil or electrical works such as Military Engineering Service (MES), Border Roads Organisation (BRO), etc., as provided under Rule 133(2) of General Financial Rules, 2017, it has been decided to shift the provisions relating to 'works expenditure' for construction of office/residential/non-residential buildings, from the Demands for Grants of Ministry of Housing and Urban Affairs to the Demands for Grants of all the respective Ministry/Department from Budget 2018-19.

3. Ministry/Departments are requested to make suitable provisions in their Demands for Grants for capital works (construction of office/residential/non-residential) from Budget 2018-19.

4. As far as revenue expenditure towards 'maintenance, repairs and minor works' of the Government building is concerned, the budget provisions will continue to remain in the Demands for Grants of Ministry of Housing and Urban Affairs.

New Delhi, dated the 31<sup>th</sup> August, 2017

**OFFICE MEMORANDUM**

**Subject: Calculation of Non-Lapsable Central Pool of Resources (NLCPR) for North East & Sikkim**

1. The existing system of calculation of NLCPR that was finalised in 1998-99 needs to be revisited in view of subsequent changes in expenditure allocation and to address the inadvertent discrepancies that have crept into the methodology for calculation of NLCPR:
  - a) Plan expenditure does not anymore exist as a separate category of expenditure;
  - b) Use of existing formula gives a disproportionate and misleading result as it compares revised estimates of total Plan allocation on a Ministry with the actual expenditure incurred on North East & Sikkim;
  - c) Cases where the actual expenditure on North East & Sikkim by the non-exempted Ministries is more than 10% of their Plan allocation are ignored in calculation; and
  - d) The existing calculation for NLCPR does not consider, as expenditure met out of NLCPR, the external assistance/ grants provided under Externally Aided Projects (EAPs) to NE & Himalayan States although for them EAP funds are provided with a 90% grant component, as opposed to provision on back-to-back basis in case of other States.
2. Hence, there is a need to revise the methodology of calculation of notional accretion to NLCPR as under:
  - A. 10% of actual expenditure for Central Sector and Centrally Sponsored Schemes (net of EAPs and local/event specific schemes, if any) of a Ministry/ Department;
  - B. Actual expenditure, including grant component of EAPs, incurred for the projects/ Schemes, in NE & Sikkim;
  - C. Amount due for transfer to NLCPR = A-B

If  $B > A$ , the excess would be offset against accumulated accruals in NLCPR.
3. Ministry of Development of North Eastern Region may accordingly take necessary action for calculating the notional accretion to the NLCPR, as per revised

methodology given in para.2 above, from the financial year 2014-15 onwards (calculations upto 2013-14 are already finalised).

4. The list of Ministries/ Departments, as finalised by Ministry of DONER, for exemption from 10% of allocation as lumpsum provision for North Eastern Region is attached herewith (**Annexure**) for ready reference.
5. This OM on calculation of NLCPR issues in supersession of all previous orders and circulars on the subject.

Subject: Financial Limits applicable to 'New Service'/'New Instrument of Service' – regarding.

Attention is invited to this Ministry's O.M. issued under letter F.No.1(23)-B(AC)/2005 dated 25.5.2006 and subsequent O.M. issued under letter F.No.1(5)-B(AC)/2011 dated 21.5.2012 clarifying the need to obtain the prior approval of Parliament in cases relating to augmentation of funds under 'Grants-in-aid General', 'Grants for creation of capital assets', 'Grants-in-aid Salaries' 'Subsidies' and 'Major Works' during the course of the year.

2. It is emphasized that the cases relating to augmentation of funds during the year under the afore-said object heads (final tier of classification) may be done keeping in view the clarification given in this Ministry's O.M. dated 21.5.2012 (copy enclosed) in order to avoid objection from Audit and adverse observations from Public Accounts Committee. In case of any doubt on augmentation of funds under any specific object heads, advice may be sought from this Division for clarification.

New Delhi, the 25th May, 2006.

**OFFICE MEMORANDUM**

**Subject: Revised Guidelines on Financial Limits to be observed in determining cases relating to 'New Service'/'New instrument of Service'.**

In accordance with the commitment made in the Fiscal Policy Strategy Statement (Budget 2005-06) under the mandate of the Fiscal Responsibility and Budget Management (FRBM) Legislation and in pursuance of the approval of Public Accounts Committee (2005-2006) in the twenty-third report (Fourteenth Lok Sabha) on the proposal for review of Financial Limits to be observed in determining the cases relating to 'NEW SERVICE'/'NEW INSTRUMENT OF SERVICE' for reappropriation of funds (Annex), which has the concurrence of the C&AG, the following revised guidelines for re-appropriation of funds are hereby conveyed, in modification of this Ministry's Office Memorandum No. F.7 (15)-B(RA)/82 dated 13<sup>th</sup> April, 1982.

**2. Definition of the terms 'New Service'/'New Instrument of Service' and its application:**

- (i) 'New Service': As appearing in article 115(1)(a) of the Constitution of India, this has been held as referring to expenditure arising out of a new policy decision, not brought to the notice of Parliament earlier, including a new activity or a new form of investment.
- (ii) 'New Instrument of Service': Refers to relatively large expenditure arising out of important expansion of an existing activity.
- (iii) While using these terms and applying the financial limits as indicated in the Annex, it needs to be noted that no expenditure can be incurred from the Consolidated Fund of India on a 'New Service'/'New Instrument of Service' without prior approval of Parliament through supplementary demands for grants. Further, the determination of these financial limits will be with reference to Primary Unit of Appropriation.
- (iv) Where in an emergent case of 'New Service'/'New Instrument of Service' it is not possible to wait for prior approval of Parliament, the Contingency Fund of India can be drawn upon for meeting the expenditure pending its authorisation by Parliament. Recourse to this arrangement should normally be taken only when Parliament is not in session. Such advances are required to be recouped to the Fund by obtaining a Supplementary Grant in the immediate next session of Parliament. However, when Parliament is in session, a Supplementary Grant should preferably be obtained before incurring any expenditure on a 'New Service'/'New Instrument of Service'. That is to say, recourse to Contingency Fund of India should be taken only in cases of extreme urgency; in such cases the following procedure recommended by the Sixth Lok Sabha Committee on Papers Laid on the Table in their 4<sup>th</sup> Report should be observed:

"As far as possible, before such withdrawal is made, the concerned Minister may make a statement on the floor of the Lok Sabha for information giving details of the amount and the scheme for which the money is needed. In emergent cases, however, where it is not possible to inform the Members in advance, the withdrawal may be made from the Contingency Fund and soon thereafter a statement may be laid on the Table of the Lok Sabha for the information of the Members".

It has been suggested by the Rajya Sabha Secretariat that the above procedure may also be observed in Rajya Sabha.

**3. Checks to be observed by the Ministries/Departments to ensure compliance of the provisions of this Office Memorandum are as under:**

- (i) By Integrated Finance Division/Budget Unit: A specific certificate should be recorded in each case involving augmentation of sanctioned provision on receipt of related proposals, to the effect that the proposed augmentation attracts/does not attract financial limits of 'New Service'/'New Instrument of Service'.
- (ii) By PAOs: Each expenditure sanction to be examined by PAOs from the 'New Service'/'New Instrument of Service' angle keeping in view the financial limits indicated in the Annex.
- (iii) Where any doubt arises about the application of financial limits of 'New Service'/'New Instrument of Service', the PAO would seek decision from CCA/FA of appropriate jurisdiction.

**4. Circumstances for obtaining Supplementary grants for expenditure qualifying as 'New Service'/'New Instrument of Service' and the reporting procedure thereof are as follows:**

- (i) if sufficient savings are available within the same section of the relevant grants for meeting additional expenditure to the extent mentioned in column 2 of the annex, re-appropriation can be made, subject to report to Parliament,
- (ii) The Report to Parliament should ordinarily be made through the ensuing batch of Supplementary Demands for Grants, failing which by adding an Annex in the Detailed Demands of the Ministry/Department for the ensuing year.
- (iii) A suitable write-up of such cases where possible, may also be made in the Notes on Demands for Grants of the Ministry/Department.
- (iv) Mere depiction of augmented provisions in the Revised Estimates included in the Demands for Grants will not be adequate to meet the requirement to incur expenditure. In cases where the financial limits of 'New Service'/'New Instrument of Service' are attracted, approval of Parliament may be obtained for incurring such expenditure through supplementary demands for grants.
- (v) The provisions in the 'Vote on Account' are not intended to be used for expenditure on any 'New Service'. In cases of urgency, expenditure on a 'New Service' during Vote on Account period can, therefore, be incurred only by obtaining an advance from the Contingency Fund in the manner recommended by the Sixth Lok Sabha Committee on the Papers Laid on the Table already referred to in para 2(iv) of this OM. Such advances will be resumed to the Contingency Fund on enactment of Appropriation Act in respect of expenditure for the whole year.

**5. Exceptions:**

- (i) Having regard to the volume and nature of Government transactions, it is not possible to list out all such cases which are not attracted by 'New Service'/'New Instrument of Service' limits. Broadly, however, expenditure on normal activities of Government (such as normal administrative expenditure - including that resulting from re-organization of Ministries/Departments, holding of conferences, seminars, exhibitions, surveys, feasibility studies, etc. assistance to foreign Governments, contributions to international bodies and fulfillment of Government guarantee on its invocation) are not attracted by the limits of 'New Service'/'New Instrument of Service'.
- (ii) Transfers to State and Union Territory Governments are also exempt from these limits provided the scheme is not new.
- (iii) Further, these limits are applicable only to expenditure which is subject to Vote of Parliament.

**6. Doubtful cases:**

In case of disagreement between the Integrated Finance Wing and Pay and Accounts Office, the Ministry/ Department may send a self-contained communication to the Budget Division, Ministry of Finance bringing out the specific point of doubt incorporating their Financial Adviser's views thereon. The decision taken by the Budget Division in the matter will be final.

**7. Conclusion:**

While agreeing to the revision of norms for re-appropriation of funds as annexed, the Public Accounts Committee in its twenty-third report (Fourteenth Lok Sabha) has concluded by stating as under:

"The committee also expects the Financial Advisors of the Ministries/Departments to ensure that there is no violation in implementation of the said revised norms for re-appropriation of funds and any slackness in complying with the said norms is strictly dealt with".

**OFFICE MEMORANDUM**

**Subject: Clarification on the Financial Limits to be observed in determining cases relating to 'New Service'/'New Instrument of Service'.**

The undersigned is directed to invite attention to this Ministry's O.M. issued vide letter No.1(23)-B(AC)/2005 dated 25.5.2006, wherein the revised guidelines on financial limits to be observed in determining cases relating to 'New Service' (NS) / 'New Instrument of Service' (NIS) were prescribed, and to state that there has been lack of clarity at Ministry/Department level while determining the cases of NS/NIS on augmentation of funds under the object heads 'Grants-in-aid', 'Subsidies' and 'Major Works'. It is observed that Ministries/Departments, in some cases, have failed to obtain the prior approval of Parliament through Supplementary Demands for Grants whenever funds are augmented through re-appropriation of funds leading to avoidable objection from Audit. With the addition of new object heads like 'Grants for creation of capital assets', 'Grants-in-aid-Salaries', it has become necessary to issue a circular clarifying/amplifying the following:

- 'Grants in aid': Any augmentation under the object head 'Grants-in-aid' through re-appropriation of savings within the same section of grant requires prior approval of Parliament through Supplementary Demands for Grants *except in cases of Grants to States and Union Territory Governments on existing schemes*. Cases requiring augmentation of funds, arising out of reclassification of expenditure, from 'Grants-in-aid General', 'Grants for creation of capital assets' and 'Grants-in-aid-Salaries' under the same scheme also require the prior approval of Parliament.
- 'Subsidies': All cases for augmentation of funds (through either re-appropriation of funds or additionality) under the object head 'subsidies' require prior approval of the Parliament through supplementary demands for grants, without any exemption.
- 'Major Works': A view is being held in some instances that the financial limits prescribed in column 3 against item 'D- Expenditure on New Works (Land, Buildings and/or Machinery)' in Annex to this Ministry's O.M. issued under letter No.F.1(23)-B(AC)/2005 dated 25.5.2006 are applicable to cases of 'New Works' only. This view is incorrect in view of the fact that column 3 also mentions about the augmentation of funds by above ₹ 2.5 crore or 10% of the appropriation already voted with the prior approval of the Parliament. Thus, the words 'appropriation already voted' refer to the existing on-going works and hence the financial limits prescribed under column 3 against item D- Expenditure on New Works (Land, Buildings and/or Machinery) are equally applicable to cases relating to existing works and attract provisions of 'New Instrument of Services'. It is therefore clarified that all cases relating to augmentation of funds under object head 'Major Works' would require prior approval of the Parliament in case the augmentation is above ₹ 2.5 crore or above 10% of the appropriation already voted irrespective of the fact that the augmentation is for 'New' Works or for the existing works.

**Subject : Opening of detailed head "Information Technology" under six level heads classification in Detailed Demands for Grants of the Ministries/Departments.**

In pursuance of the recommendation of High Powered Committee for improving administrative efficiency for earmarking an amount exceeding 2-3 per cent of Ministries/Departments' budget for initiatives relating to furthering the use of Information Technology, including training, acquisition of hardware, software as well as development "and maintenance of software etc., Planning Commission had vide their D.O. No. H-11016/32/97-PC dated 24.4.1998 and D.O. No. N-11016/8/2000-PC dated 23.10.2000 directed all Ministries/Departments to locate the required amount for information Technology. Ministry of Finance, Department of Expenditure had also issued a circular F.No. 10/3/E.Coord/99 dated 9.11.1999 reiterating the same, with the specific instructions to ail Financial Advisers that a separate budget head be indicated for the purpose.

2. At present no specific object head for booking of expenditure for "Information Technology" exists in DFPRs. To ensure common standardization of heads of classification and to facilitate the monitoring of expenditure incurred by various Ministries/Departments, on "information Technology", it has been decided in consultation with Controller General of Accounts and Department of Expenditure, to place "Information Technology" at 'detailed head' level at the fifth level of classification in Detailed Demands for Grants. A standard computer code, i.e. "99" has been allotted against "information Technology" to serve the purpose of consolidating the expenditure incurred by a Ministry/Department on the same.

2. To bring about more effectiveness and efficiency in cash management system, a Cash Co-ordination Committee (CCC) headed by JS(Budget) with members from office of CGA, RBI and Budget Division was constituted by the Government on 19.05.2016 vide OM dated 19.5.2016.
  
3. Based on the deliberations of the Committee, consultation with Financial Advisors of some key Ministries representing infrastructure, Social, and economic Sector was undertaken. Inputs from O/o Controller General of Accounts were also sought. Accordingly, guidelines for more effective and efficient cash and expenditure management in the Government of India have been prepared and outlined here. **This will help avert situation of temporary mismatches in cash outflows and cash inflows, and thereby prevent additional transitory borrowing through treasury bills/ CMBs and thereby help save on interest expenses. It would also prevent unnecessary build-up of cash, which creates liquidity crunch in the economy and in process again raises cost of Government borrowing.**
  
4. Accordingly, the following guidelines are hereby notified:
  - (i) All FAs shall ensure that Monthly/Quarterly Expenditure Plan (**MEP/QEP**) of respective Ministries are prepared and sent to Budget Division, DEA, Ministry of Finance within two weeks of passing of their Detailed Demand for Grants (**DDG**) in Parliament. MEP/ QEP would be worked out and included as Annex to the DDG in respect of the concerned Demand for Grants (**DG**). MEP/ QEP form the basis of cash forecast and

preparation of indicative calendar for Government borrowings. **Deviations from MEP/QEP may result into distortions in the cash planning by Gol with multiple negative implications including increased cost of borrowing and hence would be viewed seriously.**

- (ii) The MEP would form the basis of QEP and Ministries/ Departments concerned will not be allowed to release payments beyond QEP (equal to sum of MEPs within that quarter) without prior consent of Budget Division. **Practice of expenditure beyond QEP without prior approval of Secretary (Expenditure) would be viewed adversely.** No ex-post facto approval for the deviations from the approved QEP shall be normally considered.
- (iii) MEP/QEP may accordingly be prepared, with due diligence by factoring the overall trend of expenditure, seasonality of specific expenditure items, and the following broad principles:
- a. To the extent possible, the bulk expenditure items of more than ₹2000 crore may be timed in the last month of each quarter to utilize the direct tax receipt inflows in June, September, December, and March. The releases may be kept within 17<sup>th</sup> (or next working day if 17<sup>th</sup> is a holiday) and 25<sup>th</sup> (or next working day if 25<sup>th</sup> is a holiday) in these months.
  - b. Within the MEP/QEP, a calendar of big releases of ₹200 crore to ₹2000 crore shall be prepared to build certainty in cash outflows, as far as possible. The range of dates of such releases may be kept between 21<sup>st</sup> (or next working day if 21<sup>st</sup> is a holiday) and 25<sup>th</sup> (or next working day if 25<sup>th</sup> is a holiday) of a month to take advantage of the GST (excise duty and service tax) inflows.
  - c. The dates for these major expenditure of ≥ ₹200 crore shall be annexed to the MEP/QEP.
  - d. As at present, Salary would be released on last working day of each month.
  - e. In case a major expenditure of more than ₹200 crore and above needs to be released outside these dates, prior approval with two working days' notice, shall be taken from Budget Division which shall, depending on cash position, convey acceptance (through fax or email) or suggest another appropriate date for such release. In case of any exigency, if so made out, the permission shall be given on same day.

- f. **Prior permission from Budget Division shall be a pre-requisite for any single payment release in excess of ₹5000 crore.** The FAs may guard against attempts to deliberately split expenditure to stay within limits.
- g. Not more than 33% and 15% of expenditure of Budget Estimates shall be permissible respectively in the last quarter and last month of the financial year. **The restriction shall be observed both scheme-wise as well as for the Demand for Grants as a whole.**
- h. The FAs will monitor the release of funds to autonomous bodies and other organizations to ensure that there is no undue build-up of funds with such bodies/ organizations and money is released to them just in time.
- (iv) The exchequer control would apply cumulatively at the Demand for Grant (DG) level only i.e. inter-se variations between months within a quarter would be permissible, subject to statutory restrictions and guidelines in this regard.
- (v) The relaxation in the QEP and carry forward of the unspent amount across quarters may be exception rather than norm. While seeking such relaxations, detailed justification for the deviations shall be recorded. The generic reasons such as 'delays in sanction order', 'late receipt of claims', delays in necessary approvals' shall not be accepted unless substantiated by specific reasons.
- (vi) **Savings, if any, incurred during QEP would not be available for automatic carry forward to the next quarter, without revalidation of such savings by the Budget Division for the next quarter through modification in QEP.** However, spillover in MEP, not inconsistent with QEP will not require prior revalidation from the Budget Division. The FAs may nonetheless use such MEPs for their internal monitoring with the target of complying by the QEP limits.
- (vii) The Budget Division would convey its decision on revalidation of QEP, within 7 days of the request, unless there are some specific queries.
- (viii) The provisions stipulated under Rule 209 (6) (iii) of GFR shall be strictly complied by all Ministries/Departments and accordingly, the releases to the various Implementing Agencies (IAs) have to be restricted / rationalized keeping in view the unspent balances lying with the IAs. For this purpose, the Programme Division of Ministries/Departments shall take help of PFMS Portal to know the bank balance of the recipients (IAs) before making every fresh release. The instructions of Department of Expenditure regarding the use of PFMS Portal for Central Sector Schemes issued vide F.No. 66 (29) PF-II/2016 dated 15-07-2016 shall be strictly followed by all

Ministries/Departments. It is learnt that O/o Controller General of Accounts has been making efforts to extend the PFMS portal to all types of payments. Accordingly, the same principles of 'just in time release' should be applied for releases in respect of all payments to the extent possible.

- (ix) The releases to any Implementing Agencies (IA), including an Autonomous body, shall be on monthly basis, rather than in an ad-hoc manner, to avoid any avoidable parking of funds.
- (x) Financial Advisers shall review and freeze the timing of the receipts of Dividend and various other Non-Tax receipts (NTRs) of their respective Ministry/Departments. The dividend payments and buy back considerations would be targeted in the H1 part of financial year. The FAs shall also monitor the timely realization of other NTR and submit collection details of other NTR through the online portal 'Bharat Kosh' developed by CGA.
- (xi) Each Ministry/ Department would indicate month-wise estimate of the possible non-tax revenue inflows concerning that Ministry/ Department to Budget Division, while communicating their MEP/QEP, so that these inflows are factored in while according permission for expenditure. In case month-wise estimate is not feasible, such information would be provided on quarterly basis.

New Delhi, the 30<sup>th</sup> December, 2016

**OFFICE MEMORANDUM**

**Sub: Earmarking of funds for (i) Scheduled Castes, (ii) Scheduled Tribes and (iii) North Eastern region and Sikkim in the light of the proposed merger of Plan and Non-Plan expenditure from FY 2017-18**

The ceilings for B.E. 2017-18 have been conveyed vide this Ministry's O.M. No.F.2(20)-B(P&A)/2016 dated 23<sup>rd</sup> December, 2016. In Annex A of the said O.M., the percentage of scheme expenditure to be earmarked for Scheduled Caste Component and Scheduled Tribe Component has been indicated. In this regard, the following guidelines may be kept in view while making allocation for SC/ST/NER.

2. The Cabinet, on 21<sup>st</sup> September, 2016, has approved merger of Plan and Non-Plan classification in Budget and Accounts from 2017-18. As a consequence, the expenditure will now be re-classified as 'Scheme' and 'Non-Scheme' from BE 2017-18. The allocation for Scheme will form the basis of SC & ST allocation from 2017-18. The paras relevant to SC/ST allocation, in this cabinet approval are reproduced below:

- a. While giving flexibility to Ministries/Departments to classify scheme outlays as Scheduled Caste component/Tribal component, it would be clearly mandated that the percentage share of SC/ST components of scheme allocations in the Ministry/Department's total budgetary outlay should not be lower than the level provisioned in Budget Estimates of 2015-16 and 2016-17;
- b. The exclusion of Demands, such as those relating to infrastructure sector, etc., those related to entire Ministry/Department, or specific schemes therein from such mandatory provision would be specifically spelt out by M/o Finance, keeping in view the guidelines issued by the erstwhile Planning Commission. Certain expenditures such as equity support, Finance Commission grants to States, etc. would also be excluded from SC/ST earmarking.
- c. The SC/ST allocation would be essentially confined to Central Sector and CSS. With the removal of distinction between Plan - Non Plan, the allocation for SCSP/ TSP will need to be based as a certain percentage of scheme allocations in the identified Demands for Grants.

3. Further, the following decisions, as approved by Finance Minister, may be noted:

- (i) Scheduled Castes Sub Plan [Minor Head 789] will henceforth be depicted as Scheduled Castes Component (SCC)
- (ii) Tribal Sub Plan [Minor Head 796] will henceforth be depicted as Scheduled Tribe Component (STC)
- (iii) The lumpsum grant under the name 'Scheduled Castes Sub Plan' under Social Justice and Empowerment Demand may be renamed as "Scheduled Castes Sub-Scheme"
- (iv) The lumpsum grant under the name 'Special Central Assistance to Tribal Sub Plan' under Tribal Affairs Demand may be renamed as "Special Central assistance to Tribal Sub-Scheme".

- 2 -

4. Till FY 2016-17, the Plan-Non Plan distinction shall continue in the Detailed Demands for Grants. Hence SC, ST and NER allocation in RE 2016-17 shall necessarily follow the extant rules and regulations. From BE 2017-18, earmarking for SCC, STC and NER may be done on the basis of "relevant Scheme BE 2017-18" instead of "the relevant Plan BE", because of the plan- non-plan merger. This would be subject to extant exemptions in all the three categories.

5. Food Subsidy, Fertilizer Subsidy, Petroleum Subsidy (including Kerosene Subsidy) may be excluded from earmarking for SCC and STC and NER.

6. The earmarking of funds under SCC and STC, as indicated in Annex A of Ceiling Letter, and the 10% for NER and Sikkim is only indicating a minimum. Ministries/Departments can spend above the same according to their assessment.

OFFICE MEMORANDUM

**Subject: Utilization / Re-allocation of funds earmarked for the implementation of schemes for North Eastern Region.**

The undersigned is directed to say that Group of Secretaries on Transport and Communications Sector while reviewing "Ideas for Budget 2017-18", suggested that Ministry of Development of North Eastern Region be given the mandate to enforce Non-Lapsable Central Pool of Resources. It was also suggested that Ministry of Development of North Eastern Region be authorized to re-appropriate from Ministries unable to spend the 10% allocated for the North Eastern Region to Ministries who have exhausted their allocation and in need additional funds. Ministry of Development of North Eastern Region, it was suggested, also be empowered to utilize unspent balances for committed liabilities.

2. Ministry of Finance has examined the recommendation and observed that Rule 10 of the 'Delegation of Financial Powers' Rules 1978 (DFPR) (amended from time to time) does not allow inter-ministerial re-appropriation of funds. To actualize the spirit of the recommendation, the following mechanism has been worked out:

- a) Ministry of Development of North Eastern Region shall review the allocation/ expenditure in North Eastern Region by various Ministries/ Departments;
- b) All the Ministries / Departments shall provide scheme-wise expenditure in first half incurred by them out of the allocation earmarked for NE Region, along-with reasons for under-spending, if any, before start of pre-budget discussions to Ministry of Development of North Eastern Region and Budget Division;
- c) Ministry of Development of North Eastern Region will take stock of the anticipated savings / excess requirement for NE Region from all the Ministries / Departments and shall seek the consent / no objection from the Secretary of the Ministries / Departments, where savings are anticipated for reducing the NER allocation;
- d) Ministry of Development of North Eastern Region will recommend the allocation to be considered for NER component under various schemes to Department of Expenditure (Plan Finance - II Division);
- e) Department of Expenditure (Plan Finance Division) will analyse the actual requirement of the Ministries / Departments under NE Region and shall forward the same to Department of Economic Affairs (Budget Division), with the approval of Secretary (E);
- f) Department of Economic Affairs shall consider the Ministry / Department-wise requirement and make provision of additional funds/curtailing the funds, while communicating the RE ceilings;

**OFFICE MEMORANDUM**

**Subject: Project Approval, Fund flow mechanism and administration of**  
**(i) Standalone Externally Aided Projects (EAPs) of UTs and**  
**(ii) Projects/ Schemes where UTs avail EAP assistance as**  
**part of a Multi-State Programme/Central Sector Scheme.**

In continuation of this Department's O.M. No.3/3/2004-PMU dated 09.05.2005, and in supersession of the O.M. No. 3/6/2017-PMU dated 27.7.17, the following guidelines, in context of the **standalone EAPs of UTs**, are issued:

**A. UTs with Legislature (Delhi and Puducherry)**

- (1) The procedure for project approval, funds flow and administration in UTs with Legislature will be similar to the procedure followed in respect of EAPs of State Governments.
- (2) Concerned UT Government will forward its proposal, duly approved at its competent level<sup>1</sup>, to the concerned Line Ministry/Department of the Central Government. A copy of the same shall be endorsed to the Department of Economic Affairs (DEA), while keeping the Ministry of Home Affairs (MHA) informed. To illustrate, in respect of a Power project, Ministry of Power will be the Line Ministry to which concerned UT will send its project for undertaking technical appraisal and recommending the same for consideration/posing to DEA.
- (3) The Line Ministry/Department will, after undertaking necessary technical appraisal, forward its appraisal report to DEA for further necessary action. A copy of the report shall also be endorsed to MHA for information.
- (4) Concerned Multilateral / Bilateral Division in DEA will process the project as per standard procedure. e.g. Screening Committee of the Multilateral Investment Division will examine/ assess the project proposal and take necessary decision to pose it to the concerned Multilateral Institution.
- (5) Once the Project is finally approved by the concerned Multilateral/ Bilateral Institution, DEA will enter into formal agreement and set up process to disburse the funds through CAAA.

<sup>1</sup> By its Cabinet, if required.

- (6) The Budget Division, DEA, on the on the advice of concerned Multilateral / Bilateral Division in DEA, will make the necessary budget allocation for such EAPs in the Demand for Grants of the UT, viz for Delhi, 'Transfers to Delhi', and for Puducherry, 'Transfers to Puducherry', in the Expenditure Budget.
- (7) The fund flow of such standalone projects to UTs with Legislature will also be on back-to back basis. Since Delhi and Puducherry have their own Consolidated Fund, the receipts from external debt through Central Government and repayments thereof will be reflected in the Public Debt of the respective UT Governments, as well.
- (8) The monitoring of execution of such projects shall be the responsibility of the concerned UT Government. However, MHA will do administrative coordination, wherever required.

**B. UTs without Legislature**

- (1) In case of UTs without Legislature, the UT will forward its proposal to MHA, the Administrative Ministry for such UTs. MHA will in turn forward the EAP proposal to the concerned Line Ministry/Department of the Central Government, with a copy of the same endorsed to DEA.
- (2) The Line Ministry/ Department of the Central Government will, after undertaking necessary technical appraisal, forward its appraisal report to DEA for further necessary action. It will also seek comments of the other concerned Departments/ stakeholders on the proposal and frame draft responses thereto. A copy of the report, along with responses to the comments of other Departments/ stakeholders, shall also be endorsed to MHA.
- (3) Concerned Multilateral / Bilateral Division in DEA will process the project as per standard procedure. e.g. Screening Committee of the Multilateral Investment Division will examine/assess the project proposal and take necessary decision to pose it to the concerned Multilateral Institution.
- (4) Once the Project is finally approved by the concerned Multilateral/ Bilateral Institution, DEA will enter into formal agreement and set up process to disburse the funds through CAAA.
- (5) MHA will subsequently take all necessary administrative approvals, including SFC/ EFC/ Cabinet approval, based on details received from the Line Ministries.
- (6) The Budget Division of DEA, on the advice of the concerned Division of DEA/ CAAA, will make the necessary budgetary allocation for such EAPs in the Demand for Grants of the respective UT, in the Expenditure Budget.

- (7) UTs without Legislature do not have a separate Consolidated Fund. Their revenues flow into the Consolidated Fund of India (CFI), and their expenditures are also met out of the CFI, through the functional Major Heads. Therefore, the funds raised on account of EAPs of UTs without Legislature will flow through Union Government Accounts and will be counted in the Central Government debt.
- (8) The execution/ implementation of such projects shall be monitored by the concerned Line Ministry. However, MHA will be responsible for overall coordination and administrative supervision of such proposals.

2. The procedure for appraisal and approval of **EAP projects of UTs for Multi-State/as part of Central Sector Schemes**, implemented in UTs with/ without legislature, is as under:

- (i) Concerned UTs with legislature will propose their requirements directly to the concerned Line Ministries, keeping MHA informed. UTs without legislature will propose their requirements to the Line Ministry through MHA.
- (ii) Concerned Line Ministry will prepare, pose and get approval for such Multi-State/ Central Sector project, with UT's component following the existing process.
- (iii) Budget provisions in context of such schemes will be provided in the Demands for Grants of Line Ministry/ Department under the functional Major Heads in respect of UTs without legislature and under the Major Head '3602-Grants-in-aid for UT Governments with legislature' in respect of UTs with Legislature.

D.O.No.66(59)/PFC-II/2018 (Pt.)

30<sup>th</sup> August, 2019

Dear Secretary,

I would like to draw your kind attention to this Department's OM No. 66(59)/PFC-II/2018(Pt) dated 06.08.2019 by which all Ministries/Departments were requested to provide information in the prescribed proforma on **Rationalisation of Schemes** by 20.08.2019. This date was later extended to 23.8.2019.

2. The Union Budget 2019-20 has indicated the government's goal of making India a US\$ 5 trillion economy by 2024-25. Therefore, it is imperative that all arms of the Government perform in sync, complementing and supplementing their interventions which are aimed at achieving this vision. Accordingly, DoE, as the fund manager of the Government, aims to ensure performance-based budgeting through rationalisation of Schemes and Projects to sharpen focus on issues which form National Development Priority Goals (NDP). It is desirable that allocation of resources and its utilisation are made evidence based to ensure optimal utilisation of public resources and at the same time, make available additional funds for capital investments. Focus in schemes and projects should, therefore be on its improved formulation, better planning, emphasis on outputs and outcomes, deliverables, impact assessment and convergence.

3. As you would have noted, over the years there has been proliferation of schemes (sub-schemes) under the budget heads of Ministries/Departments wherein a large number of schemes have had either no budgetary allocation or a very insignificant amount. Schemes (sub-schemes) are implemented to achieve certain outcomes. Miniscule/thinly spread resources (or at times zero budgetary allocation) definitely does not serve any purpose. It is important to recognize that all interventions of the Government, irrespective of area of operation, requires a strong and robust financial management to ensure careful allocation of scarce resources and its judicious utilisation to achieve the desired results.

4. Ministries have already been informed that schemes have to be made coterminous with the Finance Commission cycle. Being the terminal year of the current Finance Commission cycle, all schemes (sub-schemes) would need to be subjected to fresh approval and appraisal process based on the evaluation of these schemes which is currently being carried out by Niti Aayog for the Centrally Sponsored Schemes. Additionally, this Department had forwarded ToRs for the evaluation of Central Sector Schemes.

.../2

:: 2 ::

5. However, before the evaluation reports are available, we had wanted the Ministries/Departments to undertake a self-assessment of the schemes (sub-schemes) run by it in terms of usefulness in achieving the desired outcomes. It was in this context that the OM cited above was forwarded. However, till date very few responses from Ministries/Depts have been received. In case your Ministry/Dept. has not yet provided the information, please ensure that it is done without any further delay. Ministries/Depts who have sought for exemption/ been granted exemption from the Output Outcome Framework also need to provide this information. This information will form the basis for further action on rationalization of schemes. This is an exercise to redefine the universe of schemes and their categorization and therefore Ministries/Depts. must view this as an opportunity to make available their perspective on schemes/projects. If no information is received, it will be presumed that the Ministry/Dept. has no inputs to offer on the subject and DoE will be constrained to take appropriate view on the matter in RE 2019-20 and BE 2020-21.

5. I would request you kindly to take urgent action so that the duly filled in proforma is received by 6.9.2019 positively.

With regards,

Yours sincerely,

( G.C. Murmu )

**Subject: Continuation /Extension of public funded ongoing schemes:  
Instruction regarding.**

Reference is invited to Department of Expenditure's OM No. 42(02)/PF-II/2014 dated 23<sup>rd</sup> February, 2017 on the guidelines regarding continuation of ongoing schemes (both Centrally Sponsored Schemes and Central Sector Schemes) beyond 14<sup>th</sup> Finance Commission (14<sup>th</sup> FC) period. The above OM, inter alia, stipulated that all schemes have to be made coterminous with the Finance Commission cycle and continuation of the scheme would be based on an outcome review.

2. It is noted that the 14<sup>th</sup> FC period is ending on 31<sup>st</sup> March, 2020 and majority of the schemes have sunset dates coterminous with the same. The date for the final report of the 15<sup>th</sup> Finance Commission (15<sup>th</sup> FC) has now been extended and the period covered by it has changed. The availability of financial resources with the Central Government and the States will be clear only after acceptance of the final report of 15<sup>th</sup> FC. Meanwhile proposals from Ministries/Departments are being received for approval of interim extension/continuation of schemes pending the required appraisal/ approval based on third party evaluation. In order to ensure smooth implementation of ongoing schemes and maintain optimum pace of expenditure, the following instructions are issued:

- I. Pending appraisal/ approval of ongoing schemes of a Ministry / Department, an interim extension beyond 31<sup>st</sup> March, 2020 or the date till which the Schemes are already approved, is given for a period till 31<sup>st</sup> March, 2021 or till the date the recommendations of 15<sup>th</sup> FC come into effect, whichever is earlier. It is applicable for all the Schemes that the Ministry / Department wants to continue without changing their scope,

nature, coverage and without creating additional posts. However, in terms of OM of the Department No. 24(35)/PF-II/2012 dated 5<sup>th</sup> August, 2016, in order to enhance the efficiency and outcomes of public expenditure, Department of Expenditure reserves the right to merge, restructure or drop any scheme, sub-scheme in consultation with the Administrative Department.

- II. For Schemes with financial implications for Financial Year 2020-21, the Financial Advisors may prepare a list of all such schemes which the Ministries/ Departments are proposing for continuation beyond 14<sup>th</sup> FC. This list should be sent to the Department of Expenditure along with the reasons for such continuation and expected output/outcomes thereon. It may be ensured that the spending limit for these schemes should be within the approved allocation of BE 2020-21.
  - III. The approval for continuation of each scheme for the 15<sup>th</sup> FC cycle would be based on an evaluation report and outcome review. Ministries/Departments should ensure that the process of evaluation is completed early so as to ensure its timely submission for appraisal and approval process.
2. This issues with the approval of Secretary (Expenditure).

**Subject: Appraisal and Approval of all Public Funded Schemes / Sub-Schemes - reg.**

Reference is invited to DoE OM No.24(35)/PF-II/2012 dated 5-8-2016 vide which financial powers have been delegated for appraising/approving all public funded schemes/projects. In terms of para 4(i) of the OM of even number, for initiating all new schemes/ sub-schemes, 'in-principle' approval will be taken from Department of Expenditure. It may be appreciated that in the wake of COVID-19 pandemic, there is an unprecedented demand on public financial resources, and a need to use resources prudently in accordance with emerging and changing priorities. However, many new proposals for 'in-principle' approval are being received from Ministries/Departments.

2. In view of the circumstances prevailing in the current financial year, the undersigned is directed to convey the following:-

- i) No new proposal for a scheme/ sub-scheme, whether under delegated powers to Administrative Ministry including SFC proposals or through EFC should be initiated this year (FY 2020-21) except the proposals announced under the Pradhan Mantri Gareeb Kalyan Package, Atma Nirbhar Bharat Abhiyan package and any other special package/announcement. 'In-principle' approval for such schemes will not be given in this financial year.
- ii) The initiation of new schemes already appraised/approved in Financial Year 2020-21 under the delegated powers of the Administrative Ministries including SFC proposals (schemes upto Rs. 500 Crore) (exception as mentioned in (i) above), will remain suspended for one year till 31<sup>st</sup> March, 2021 or till further orders whichever is earlier. This is applicable for those schemes as well, for which 'in-principle' approval has already been given by Department of Expenditure. A list of all such schemes (as per the enclosed proforma) may be sent to DoE by FAs of the Ministries/Departments by 30<sup>th</sup> June, 2020.
- iii) The continuation of all existing schemes will be governed by the DoE OM No. 42(02)/PF-II/2014 dated 10-01-2020 by which an interim extension for all the ongoing schemes has already been given till 31<sup>st</sup> March, 2021 or till the date of recommendations of 15<sup>th</sup> Finance Commission come into effect, whichever is earlier. This is applicable for all the schemes, whether under delegated powers to Administrative Ministries/ Departments, through SFC or through EFC which the Ministry/Department wants to continue without changing their scope, nature, coverage and without creating any additional posts. It has also been reiterated therein that continuation of all schemes would be based on an outcome review based on evaluation. The continuing schemes need to be appraised and approved further for the period of 2021-22 to 2025-26 after 15<sup>th</sup> Finance Commission recommendations are accepted and resource position of public exchequer is clear. This would also be depend upon the evaluation and the outcome review.

- iv) No funds may be released for schemes which are not in strict conformity to the instructions given above and also in terms of DoE OM No. 24(35)/PF-II/2012 dated 05-08-2016 and No. 42(02)/PF-II/2014 dated 10-01-2020, nor should budgetary provisions be made available by re-appropriation to such schemes.
- v) Any exception to the above guidelines shall require specific approval of the Department of Expenditure.
3. This issues with the approval of Secretary (Expenditure).

Dated: 10th August, 2020

In its endeavour to provide timely and accurate information on expenditure in the North Eastern States under the 10% Gross Budgetary Support (GBS) Policy, Ministry of DoNER had requested the Controller General Accounts for creation of a utility under PFMS to capture accurate and timely data using re-appropriated funds made available from the non-functional head MH 2552 and MH 4552 to the Scheme related functional heads.

2. I am happy to share that such a utility has been created in the PFMS by the CGA with the approval of Department of Expenditure, Ministry of Finance. Controller General of Accounts had earlier pointed out that in the absence of a separate classification envisaged for NER under the proposed chart of Accounts, the NER Release data could not be accurately captured by the PFMS until so far. To address this issue, CGA has created a module in the PFMS for marking the NER expenditure. The flag for marking the NER expenditure in PFMS has been made available w.e.f. 06.08.2020. The Standard Operating Procedure for using the new functionality is enclosed herewith for necessary compliance by all Non Exempt Ministries as per Statement 11, Union Budget.

3. You will agree that unless correct marking as advised by the CGA is completely adapted and complied with, accurate and real-time capture of fund releases for NER would not be reflected in the PFMS. This information is essential to ensure 100% expenditure under 10% GBS. I would therefore request, all the Line Ministries/Departments, which are not exempt from the 10 % GBS for NER and are listed in the Statement 11 of the Union Budget, to comply with the SOP circulated by the CGA. Ministries/ Departments will also have to ensure that, while processing for release of funds to North Eastern Region (after re-appropriation of funds from the non-functional Major Heads 2552/4552, etc to the relevant functional Heads), each manual Sanction Order is invariably stamped on the top right-hand corner with NER in files/e-files.

4. I would be grateful for a quick implementation of the revised procedure of reappropriation in accordance with the attached SOP circulated by CGA.

Encl: As above

With regards

Yours sincerely,

/
